

Local Baseball Club Revamped For Two Games

Truckee Errors Costly
In Tilt With Colfax
Last Sunday

The Truckee Mountaineers dropped a 17 to 5 game to Colfax Sunday, thereby chalking up their third loss against one win for the season, but by no means accepting an attitude of defeat. They are now reorganized and ready and anxious to face Auburn on the latter's home field Sunday and then will welcome Grass Valley here for the Memorial Day contest Monday.

Sunday's game with Colfax was a comedy of errors and hard luck but even had Truckee won, there was a definite announcement by Umpire Valdron that the local team would have sacrificed the game because one of the players violated league rules by mingling with the fans in the stands during the playing, a forbidden practice.

The Fireballs slugged out 16 hits and this coupled with 10 local errors made it a bit lopsided, but for all that the Truckee boys kept fighting hard and as Scoop Thurman of Colfax stated: "Your gang likes to play ball win or lose." A few umpire decisions added to the slaughter and although Truckee batters clipped off 13 hits, they failed to develop into more than the five runs.

Following practice here on Tuesday night, the team and managers gathered for a reorganization in an effort to break the jinx which has followed the team this season. Mike Korich stepped down from the management but will continue to play and the team voted Larry Baxter to take over the reins. At the same time, a board of directors, composed of Business Manager R. N. Little, Manager Baxter, N. F. Dolley, Frank Gallenice and Charlie Cozzi, was named to handle technical affairs of the club, such as voting on releases, signing new players, etc.

Baxter has had considerable baseball experience, having at one time played with the Coast League. He is well liked by the local players and fans and has already announced a number of changes in the lineup for the Auburn game which are expected to result in a win.

Two new players have been signed the local roster—Frank Giovannoni, star third baseman from last year, who is a local player — and Ducky Knezovich, Christian Brothers college boy from Sacramento, a pitcher and infielder. Releases were given to E. H. Althoff, John O'Donnell and Jim Metcalf. Out for practice Tuesday beside the regulars was a group of hopefuls, including Billy Campbell, Les Davidson and John Rablin, who may be signed for future games.

Little reports there are now 16 players on the roster with only two vacancies.

The probable starting lineup for Sunday's game: Martin, ss; Baxter, 2b; Boucher, c; Curran, 1b; Bernard, rf; Giovannoni, 3b; Stephens, 1b; Lujan, cf; Kielhofer, p.

The field is in excellent condition, Dolley reports, the infield well packed and hard, with the entire grounds ready for the first home game here Monday with Grass Valley, a traditional rival.

In Sunday's game at Colfax, Martin and Boucher led their team in hitting, getting three for four, while Baxter batted out two for four to maintain his lead of the league with .589. Joe Bernard is in the league fourth place with .467.

Tahoe, Truckee Lions At District Session

TAHOE—Mr. and Mrs. Stanley Martin and son attended the Lions Clubs' district convention at Grass Valley last weekend. Truckee residents seen at the banquet in the Veterans' Memorial Hall Saturday night included Mr. and Mrs. Ray Scott, Mr. and Mrs. W. C. Gage and Robert W. Seibold. En route home Sunday the Martins stopped at Colfax to see the Truckee-Colfax baseball game.

Son Arrives Sunday For John Petersens

A son arrived Sunday night, May 22, in Reno for Mr. and Mrs. John R. Petersen of Truckee. The newcomer, who has been named Chad Eugene, weighed 6 pounds 4 1/4 ounces at birth.

Truckee Man Is Killed By Falling Tree Limb Here

Herman Feldkötter Was
Odd Jobs Man Here
For Ten Years

Herman Feldkötter, about 65, Truckee gardener and odd job man, was fatally injured yesterday afternoon when a limb fell on him while he was employed near Big Chief Camp on the Truckee River with a contracting crew clearing a power line right of way.

The injured man was rushed to a Reno hospital by the Truckee Ambulance immediately following an examination by Dr. L. D. Nelson, who pronounced the injuries as critical. It was revealed he had suffered a broken back, fractured skull and other injuries. He died shortly after 5 o'clock.

Deputy Coroner N. F. Dolley who is making the investigation with Coroner Alvah Hooper, who was here with Deputy Sheriff Otis Hardt on another case, said Feldkötter was a native of Germany. He had lived in Truckee for the past 10 years and was a recluse, living alone and accepting odd jobs in the community. Dolley said he was communicating with relatives in Nebraska. The body will be returned to Truckee for burial by the Truckee Colonial Mortuary.

HOSPITAL NEED HERE SHOWN BY AMBULANCE USE

Another good example for the need for a hospital in this district was advanced last week by N. F. Dolley, operator of the Truckee Ambulance Service, who reported to the directors of the Tahoe Forest Hospital District that during the time he has operated the service since 1947, he has transported a total of 365 emergency stretcher cases to hospitals elsewhere.

These patients were from Truckee, Tahoe and the Donner Summit areas, Dolley said. During 1947 there were 109 cases, 55 from Truckee, 26 from Tahoe and 28 from Donner. Last year there were 117 cases with 52 from Truckee, 18 from Tahoe and 47 from Donner. Thus far during 1949 there have been 39 cases, 22 from Truckee, five from Tahoe and 12 from Donner.

These cases represent only those transported by the local ambulances and do not include scores removed by private vehicles and other means. The report includes only emergency cases, Dolley said.

Rebekahs Get Report On Santa Cruz Meet

Naomi Rebekah Lodge No. 2 met last night in regular session. The report of Ruth Campbell, delegate to the Assembly at Santa Cruz was read and delightful refreshments were served at the close of the evening.

Truckee Woman Hurt As Auto Leaves Road

Mrs. Ruth Curutchberry, a waitress at George's Cafe in Truckee, suffered minor injuries last night at 7 o'clock when the car she was driving was forced off Donner Grade by another car. State Patrolman William Gautsche made the investigation. The injured woman was taken to Dr. J. H. Bernard by a passing motorist for treatment.

Fish Planting Report Is Presented to Lions

A report on fish plantings was given at the meeting of the Lions Club last night by Allan Pollitt, superintendent of Tahoe hatcheries. George Smith of Sacramento was a guest and Stan Martin presided.

Move to Truckee—Mr. and Mrs. Floyd O. Roberts have moved from Meeks Bay to Truckee. He is employed at Osburn's Associated Service and Mrs. Roberts is working at Heller's Variety.

Tonini Grocery Changes Hands In Truckee Sale

Buyers Are Well Known,
Philippi to Manage
Food Mart Here

Sale of Tonini's Grocery to Mr. and Mrs. Wayne Philippi, Doyle McGinn and Mr. and Mrs. Anthony Pace, all of Truckee, was announced this week by Mr. and Mrs. T. A. Johnson.

Sale of the store was prompted by the illness of Mrs. Johnson who has had an active interest in the establishment since the Johnsons purchased the store from Elden Tonini three years ago. For the time being Mr. and Mrs. Johnson will remain in Truckee but their ultimate destination is not known.

The new owners are all well known here. The Philipphis, who will have charge of the grocery department, have been associated with the present owners for the past two years. McGinn has operated the butcher shop at the store since before the war, giving it up temporarily while he was in the army, but returning immediately after his discharge to resume his work.

The Paces, who operate the Truckee Mercantile, will not be active participants in Tonini's, having only an investment interest.

No changes in policy are contemplated, Philippi said, the same courteous service, quality merchandise at fair prices being continued as at present.

The entire community will regret the reasons for the Johnsons' selling but will join in wishing the new owners success. The sale will be consummated next Wednesday, according to present plans.

LEGION, K. OF P. TO HONOR DEAD MEMORIAL DAY

Participants in the Memorial Day service will meet at the fire house Monday morning at 9:30, according to Chairman Heslin Cardinal.

The annual ceremony sponsored by the American Legion will be held at 10 o'clock. This year Summit Lodge No. 54, Knights of Pythias, will also take a part in the ceremony at the Truckee cemetery.

Change in Mass Hour At North Lake Tahoe

Father J. Boland announced this week that in order to permit the congregation to attend the big picnic and trout fry at Kings Beach Sunday, mass will be held at Our Lady of the Lake Chapel at 11 a.m. Sunday. Hereafter it will be held at 9:45 a.m.

Mrs. C. B. White Wins Flower Show Award

Mrs. C. B. White of Truckee won third place honors in patio arrangements in the Reno flower show at Idylwild Park last weekend among 35 entries in that class. Around 30 other Truckee women attended the but Mrs. Roy Waters was the only other entrant from here.

Thirteen garden clubs participated and around 2500 people saw the show, said to have been the largest in the history of the event.

Many of the Reno exhibitors indicated they would show at the Wyethia Club Flower Show in Truckee, according to Mrs. N. F. Dolley, chairman. The date of the local show has been tentatively set for July 22.

Truckee Women At Nevada City Confab

Mesdames Rufus Gregory, Ray Scott and David Rose, officers of the Women's Wyethia Club, have planned to attend the Tri-County Federation of Women's Clubs being held today at Nevada City.

The local club agreed at their meeting on May 20 to sponsor the newly organized Brownies Troop for girls between the ages of seven and nine. Mrs. Roy Stalard is the leader of the group.

Trout Season To Open In District Monday Morning

Good Catches Reported
In Lakes as Stream
Anglers Wait

Prospects for the opening of the trout fishing season in this district, which has been limited to Lake Tahoe, Donner Lake and Boca Reservoir since May 1, loom good for next Monday morning.

A survey of the district by Game Warden Tom Borneman reveals the streams clear and not too high. The warm weather during the past several days has resulted in a large insect hatch and fly fishing should be good on most streams.

All the streams are accessible since the snow runoff and since the opening day falls on a holiday, it is expected that a huge number of anglers will take advantage of the promising fine weather to try their luck in the region.

Borneman pointed out that Blackwood and Ward Creeks at Tahoe are closed for another month but otherwise streams and lakes throughout the district are opening May 30, one hour before sunup.

In the meantime excellent results are being had by deep trolling at both Donner and Lake Tahoe. Nat and Frank Quilic, Robert Seibold and Carl Becholdt last Sunday caught six mackinaw at Tahoe weighing a total of more than 27 pounds. James Leamon is top fisherman at Donner and is returning almost daily with mackinaw ranging up to seven pounds. Others report excellent results in the two lakes as the season advances.

Bank Manager Heads Cancer Fund Drive

Ray A. Scott, manager of Bank of America, has been chosen as chairman of the Eastern Nevada County Committee for the 1949 fund appeal for the American Cancer Society. The appointment was made by H. A. Curnow, county chairman.

Scott said he will attempt to coordinate the local drive with the county program which starts May 31. An appeal will be made to local organizations and individuals and contributions may be left at the bank. Further details will be given later.

Lilio Guidi to Wed In Roseville June 12

Local friends are receiving invitations to attend the wedding of Miss Lorraine Evelyn Rodolfo and Lilio P. Guidi on Sunday afternoon, June 12th, at 3:45 o'clock in St. Rose of Lima Catholic Church at Roseville.

Miss Rodolfo is the daughter of Mr. and Mrs. Martin Rodolfo and is a popular Roseville girl. Guidi is a former Truckee resident, attended the Truckee schools and was well known in the younger set. He was in the service during the war and has been employed at Roseville.

A reception will follow the services at Odd Fellows Hall in Roseville.

Mrs. Bennetts Hostess To Verdi Homemakers

Mrs. Evelyn Bennetts of Boca entertained the Verdi, Nevada, Homemakers Club at a luncheon at Donner Lake Lodge on May 19. Twenty members were present. A regular meeting was held after the luncheon, followed by a demonstration on upholstery given by Miss Gertrude Hayes of the University of Nevada.

MRS. PRESLEY PASSES TODAY

Mrs. Margaret Presley, 67, passed away in a Reno hospital about noon today, according to word received here.

She was rushed to Reno yesterday by the Truckee ambulance. She reportedly had been ill for some time.

Mrs. Presley was the mother of Mrs. Donald Sites of Truckee and had made her home here for several years.

Sun Beams by Walter M. Barrett

It takes quite a bit of money to operate a baseball club and the Truckee club is no exception. The team for the most part plays without compensation, first because they enjoy playing and second but not least to give Truckee one of its finest assets—a good baseball team. Nevertheless, there are expenses. Uniforms, travel, balls and other equipment are not free. Thus far the local team and management have done nobly. They have built and equipped a swell park with all the necessities, supplied other requirements and have done all this with a minimum cost. Best of all, the games played here are free of charge. During the games a collector goes among the spectators for free-will offerings but no one is under obligation to pay a cent. We ask you to remember, however, that it takes money to operate the club and when you see that collector coming dig down a little and show your appreciation for the advertising the team gives and the good sport provided the town and give generously.

Death works overtime on holidays. Drive carefully and sanely over the Memorial Day weekend and be alive to celebrate the 4th of July.

HIGHWAY PATROL AT FULL FORCE FOR WEEK END

Faced with a three-day holiday period over Memorial Day, the California Highway Patrol today marshalled forces to handle an anticipated record flow of traffic.

"There will be no days off for any traffic officer from Friday through Monday," according to Sgt. H. B. Fowler of the local squad. "All special duty personnel will be assigned to patrolling the highways and we hope to keep our accidents at a new low over Memorial Day."

Fowler gave the following safety tips to holiday drivers:

Be sure your car is in good mechanical condition. Plan your driving schedule to avoid fatigue.

Don't drive after drinking.

Keep your speed within safe limits.

Mrs. Mahne Hostess At Luncheon, Bridge

Mrs. Anton Mahne was hostess at a one o'clock luncheon and bridge party given in her home on Tuesday. Spring flowers in shades of pink and yellow with white were used to high light the attractive rooms.

Mrs. William Englehart Sr. and Mrs. R. N. Little tied for first place at the close of the bridge games and Mrs. C. B. White was given the consolation token. Other guests were Mesdames William Englehart Jr., Robert Bick, Harold Langille, Tony Polyanich, V. C. Shattuck, Annie Tonini, Roxie Archie, R. C. Gregory, Edith Fay, Ray Scott, Walter Loynd, Robert C. Gifford, A. R. Ghirard, J. H. Bernard, Joe King and James McIver.

Fresno Services Held For Mrs. Wm. Flynn

Funeral services were held at Fresno Tuesday for Mrs. William Flynn, 21, of Quincy. Mrs. Flynn had many friends here where the family made its home until two years ago. Her untimely death followed a lengthy illness and hospitalization at Fresno.

Beside her husband, she is survived by a son, William Jr., three years old, and her mother, Mrs. Eric Jacobson of Fresno.

Local Man, Daughter Mark Dual Birthday

James Harris and his daughter, Ireda, who was seven, observed their double birthdays last Thursday, May 19. Because of inclement weather, Mrs. Harris' plans for a party were cancelled but a family dinner and exchange of gifts were enjoyed.

School Facilities For Coming Year Announced Here

Truckee High School To
Be Used Next Year
For District

The board of trustees of the Tahoe Truckee Unified School District meeting in Tahoe City last Thursday night decided that next term all high school students in the district would be transported to the plant presently being used by the Meadow Lake Union High School in Truckee.

This action was taken when it was determined that this building was the only one available with sufficient classroom space to accommodate the enrollment. Everett J. O'Rourke, district superintendent, said that a program will be worked out to satisfy the needs of all students. High school students in the Lake Tahoe area are currently using classroom space in the Tahoe Lake School at Tahoe City.

O'Rourke also announced that all but three vacancies on the faculties of the high school and five elementary schools have been filled. Applications for these positions are now being processed and the posts will be filled soon.

Dewhurst Principal Norman Dewhurst, now a member of the high school staff at Tahoe City, will be principal of the high school next year.

Clair Strom, now on the MLUHS faculty, will also teach in the high school. Other members of that faculty will be Miss Mary Ellen Dulcini, graduate of University of California and San Francisco State; Miss Thelma Finger, University of Kentucky and UC; Ernest Douglas, UC, and Arner Gustafson, College of Pacific. The latter will, among other duties, direct boys' athletics. He is a proficient skier and will give seasonal instruction in the sport at the school.

To Name Teachers In the Truckee elementary school, James Welch of Mountain View and a graduate of San Jose College, will be principal.

Welch is married and has a seven year old son. One teacher for the local elementary school is yet to be chosen. Returning to the faculty will be Mrs. W. C. Gage and Mrs. Tom Borneman. Joining them will be Lynn Kishbaugh, graduate of University of Tennessee and UC.

The Tahoe Lake School faculty has all been retained. They include Mrs. Myrtle Gallinger as principal; Mrs. Dorothy Johnson, Miss Edna Lardner and Miss Betty Lee.

Charles Chubb has been hired as principal of the Kings Beach school. Mrs. Sara Ernst will return there as a teacher and there is still one vacancy to be filled.

Mrs. Allie Kraus will conduct the Donner Trail School while a teacher is yet to be hired for Floriston.

New Bus Purchase O'Rourke also announced that the district will purchase a new 61 high school passenger bus and a station wagon for admin- istrative and utility use. These will augment transportation equipment now owned by the district.

Annual Methodist Meet Is Slated for Tuesday

The annual meeting and election of officers for the ensuing year will be held Tuesday, May 31, at 8 p.m. at the Community Methodist Church. This will be preceded by a pot luck supper at 6:30 to which all friends of the church are invited.

Dr. Allan Goozee, district superintendent, of Sacramento will speak and preside. For further information call 87 or Mrs. Eugene Risden.

Second Daughter Born To Wakefields May 21

At 12:04 a.m. Saturday, May 21, a second daughter born to Mr. and Mrs. Al Wakefield in a Reno hospital. The little girl weighed 7 1/2 pounds at birth and has been named Judy Marie.

Body Of Nude Man Is Found In Truckee River

Autopsy Shows Victim
In Water At Least
Two Weeks

Mystery surrounds the discovery of the nude body of a man about 50 years of age which was lodged on a large rock in the middle of the Truckee River just below the Southern Pacific bridge at Mystic yesterday afternoon.

Deputy Coroner N. F. Dolley said the autopsy performed by Dr. L. D. Nelson revealed the unidentified body had been in the water for two weeks at least. The discovery was made by a member of a passenger train crew who reported it to Special S.P. Officer Albert Pfander. Pfander called Deputy Sheriff Fosten Wilson and the latter with Mrs. N. F. Dolley went to the spot where they solicited the aid of a Reno truck driver, Fred Voss, to bring the body to shore.

Just as they were ready to leave, Dolley arrived from Reno where he had delivered Herman Feldkötter of Truckee to a Reno hospital.

The body was badly decomposed and there were no marks of identification. He was bald headed, slight build, with small hands and feet. A wound on the head may have been administered before the body went into the river or it may have been caused by a rock in the river.

There are several theories, one that the man was killed and thrown into the river and another that he plunged into the river from a train and may have gone into the stream and was swept away by the current. Fingerprints are being taken in an effort to establish identity, Dolley said.

20-30 SOFTBALLERS PLAN TWO GAMES HERE ON SUNDAY

A softball game between the Truckee and Reno 20-30 Clubs at the local ball park Sunday afternoon at 2 o'clock promises to create a lot of interest and provide fun for everyone wishing to attend.

The two teams have been practicing regularly, the locals under the management of Bud Owens and a good team has developed. On the lineup for the Truckee team are Owens, catcher; John Grack, pitcher; John Rablin, 1b; Les Davidson, 2b; Dave Rose and Duke Mathes, ss; Bob Leamon, 3b, and Red Alexander, Ken Foster and Bob Sayre, outfielders.

The refreshment stand will be open and while there will be no charge for the game, the proceeds from the stand will go to the local club.

The 20-30 will play the local high school hard ball team at 10 Sunday morning.

At the 20-30 Club meeting on Wednesday evening, guests included Jack Kuhn, Heslin Cardinal, Cliff Ellis and Willie Curran of Truckee and Vic Baird of the Reno 20-30.

Mrs. Mattheus Feted At Donner Breakfast

Mrs. Harold Gilson and Mrs. Thomas Borneman were co-hostesses at a breakfast pink and blue shower to honor Mrs. Herb Mattheus Tuesday at Donner Lake Lodge. Sharing in the occasion were Mesdames Emily Cribbs, Louise Martin, Jerry Lewis, Robert Johnston, E. A. Ott, James Gowing, Charles Cross, William Porter, Heslin Cardinal and John Nielsen.

Convention Speech Heard by Rotarians

James Sherritt presented a wire recording of a speech by the consul general of Great Britain which was made at the recent convention held at Elko, Nevada, when the local Rotary Club met Monday evening at Donner Lake Lodge. William Curran presided at the session and visitors included Pete Land, a Loyalton Rotarian, and Lee Nisbet of Truckee.

The subject of the recording was World Peace.

Power Shut Off As Church Is Moved

Electric power was off in Truckee for nearly an hour on Tuesday morning between 5:45 and 6:45 o'clock. The delay was caused in moving the Catholic Church from its old location to where it will be situated more than a block distant to make room for the new highway.

DISTINGUISHED GUEST
The Masons of Silver Sands Resort are feasting young Mr. Bruin who visits their garbage can almost nightly. Tame fellow, Mr. Bruin, and quite an entertainer.

WOMEN'S CLUB
The regular meeting of the North Tahoe Women's Club is being held Friday evening, May 27, instead of May 26 as this regular night would conflict with the general meeting of the Lake Tahoe Chamber of Commerce. Refreshments and entertainment will follow the meeting.

THE BIG PICNIC
Final plans were discussed at a combined board of directors and entertainment committee meeting at the home of Peg Nelson Monday night. All arrangements are nearing completion and this last fling of the off season should be a huge success.

Everybody welcome! Don't forget it's at Kings Beach Sunday, May 29. Watch for window cards in business houses where tickets will be on sale. Besides plenty of fine food there will be exhibition wrestling, boxing and softball.

LOW TWELVE
The Low 12 group met at Buckhorn Inn Tuesday evening where a most enjoyable time was had by those present. Those of you who failed to show up have no idea what you're missing.

P.T.A.
The Kings Beach P.T.A. had its regular meeting Thursday, May 19, at the school. A lovely program by the children included songs by Mrs. Sara Ernst's girls; a playlet by the students of Mrs. A. Scott while Mr. Scott's girls sang and his boys entertained with talks and movies. It was voted to dispense with the next regular meeting, carrying it over into September due to added activities of the closing of school. However the welfare program as well as the summer round up for the children will be continued.

CHURCH NEWS
Wee Kirk o' the Pines church school at 10 a.m. and Sunday worship at 11 in the Carpenters' Hall on Deer Street in Kings Beach, services to be conducted by Rev. Oscar Swanson; topic: From Bondage to Liberty; text: If the son therefore shall make you free, ye shall be free indeed. —John 8: 36.

Rev. Allan R. Goozee, district superintendent, will hold a quarter-conference meeting in the interest of the new outdoor chapel at the home of A. E. Abbott Tuesday, May 31.

Another day's work is required to complete the transfer of the church building from Reno to Kings Beach. Those wishing to help please call P. R. Murray.

RAMBLINGS
Mary and Ed Starr of Tahoe Vista are at home after a nice visit with their daughter, Mrs. Anthony Ygniez of Pittsburg, California.

Mr. and Mrs. Samuel Willis of Benicia are honeymooning at the Starr residence. Mrs. Willis is the daughter of Mr. and Mrs. Joseph Gando, who are well known at the lake.

Mr. and Mrs. Joe Sanders of Sacramento are spending the week with their son, Oran, and family at Tahoe Vista.

The Beasley's square dance program is gaining favor. Last Friday night a group including Mr. and Mrs. Mel Miller, Peg and Tex Jones, Florence and Mulford Miles, Mildred and Monty Beasley met at the home of Bert and

Gil Ballard and gave those good old dances a fine try out. You'll be hearing more about these dances as time goes by.

Welcome home Mr. and Mrs. Rapier of Tahoe Vista. It's just as well you spent the winter down south. Your place was mightily covered with a white blanket.

Mrs. Henry Chanda is visiting her mother in southern California. The North Tahoe Gun Club is having a hard time locating that ideal spot for trap shoot practice. They're still looking.

Mrs. Ailes, sister of Mrs. Helen Van Uden of Tahoe Vista, likes the lake so much she has decided to extend her visit.

The Don and Bud Schuberts are busily engaged in getting their Here 'Tis drive in ready for opening.

Mr. and Mrs. A. J. Hendricks of Bakersfield are visiting the A. E. Abbotts. Hendricks is a contractor and commercial builder. He plans to establish a home as well as a business at Kings Beach. Edgar Johnson of Bakersfield is also a guest at the Abbott home.

Mrs. Anna Blaue, better known as Miss Ann the Globetrotter, recently returned to her home in Tahoe Vista after spending the winter with friends and relatives. Among those whom she visited were her sister in Kansas, and her granddaughter, the former Betty Blaue, in St. Louis, Mo. Betty now has a nice husband, son and home.

Mr. and Mrs. Wayne C. Hunt, formerly of Grants Pass, Oregon, who last summer purchased Pine View Cottages on Bear Street, have spent the greater part of this month building an attractive red cement patio and otherwise improving their court. Mrs. Hunt sustained a knee injury early last summer and is still limping a bit.

Two Nights Needed to "Open" Lakewood Lodge
HOMEWOOD—Featuring the seasonal opening of their popular dining room at Lakewood Lodge, Mr. and Mrs. Fred Cunningham were hosts Tuesday and Wednesday evenings to nearly 100 of their friends and neighbors. Kansas City corn fed prime beef roast and fried spring chicken featured the menu which was prepared by Chef Cunningham himself.

The guests enjoyed the occasion, which was divided for two nights since facilities would have been crowded in having the entire group at one time. All expressed themselves as delighted with the excellent food and hospitable atmosphere.

Tahoe from Reno
Mr. and Mrs. William Steenis and son Billy of Reno were dinner guests of the Charles Swansons of Tahoe City last Friday.

Truckee Group of Christian Scientists announce Sunday Services
each Sunday at 11 a.m. at the Wyethia Women's Club House in Truckee

The public is cordially invited to attend

Speed Cited as Cause Of Auto Accident On Tahoe-Truckee Road

TAHOE—Dr. D. W. Atcherson of Riverside and a woman believed to be his wife were painfully but not seriously hurt on Sunday afternoon when the convertible driven by the doctor collided with a car driven by Mrs. Roland Charles of Sacramento, who was accompanied by her husband and son and Mrs. A. J. Scott. The accident occurred on the Truckee-Tahoe highway about a mile north of Tahoe City near Rampart Station. None of the passengers in the Charles car was reported injured and their car was only slightly damaged.

The Atcherson car, after hitting the other vehicle, swerved and skidded over a 15 foot embankment. It was completely demolished.

Highway Patrolman Tom Sheehan who investigated the mishap assisted the injured pair to the highway where Al Henry Jr. transported them by ambulance to a Reno hospital. Constable Harry Johanson of Tahoe was also on hand to render aid.

The doctor was cited by Sheehan for speeding and driving on the wrong side of the road.

El Campo Ready to Open On Saturday Night

HOMEWOOD—Mike and Irene Fleury have returned to Home-wood and will open their El Campo Inn on Saturday, May 28, and are extending invitations to their many friends and patrons to drop in and enjoy the Italian dinners and visit the cozy cocktail lounge.

The Fluerys have been back at the lake for the past two weeks getting ready for the promising season.

Birthday Party Held In Tahoe School

TAHOE—Miss LaVerna Record of Tahoe Pines Friday night was honored at a birthday party in the Tahoe Lake School auditorium. Dancing and refreshments highlighted the evening.

Present were Messrs. and Mesdames Norman Dewhurst, Dick Carnell, Al Martin, James Astle, and Mrs. Record and mother, Mrs. Hoffman; Glenn Tongue, Steve Post, Ray Sorenson, Bob Dockham, Bill Stelzriede, Dick Astle, Bourne O'Brien, Bill Miedema, Dick Shelley, Dennis Sach, Irwin Rosenblatt, Jim Morhain, Bob French, Fred Holt, Ned Stuart, Glenn Jackson, Rod Yeakel, and Misses Blodwyn Tiffie, Shirley Tiedemann, Mary Boyce, Donna Mae Speeter, Pat English, Irene Gallerani, Pat Allen, Collette Morhain, Shirley Flagg, Toni Stree, Myra Lee Pollitt and Betty Buchanan.

Several contests were held during the evening with winners for boys' prizes Bill Miedema and Dick Astle and Miss Irene Gallerani lost out in a log rolling contest with Fred Holt.

Two lovely birthday cakes were baked for the occasion by Mrs. Allan Pollitt and Mrs. Donaldson.

Honeymoon at Henrys
Visitors at home of Mr. and Mrs. A. M. Henry of Tahoe on Sunday were honeymooners Mr. and Mrs. Oliver Fenstermacher of Pittsburg, Calif. They enjoyed three days of their honeymoon at Tahoe Inn, leaving for Oregon, Washington and Canada, the trip to take about six weeks. On their return they will motor to Baja California and Mexico.

Wikanders Leave
Victor H. Wikander of Tahoe City writes that they want the Sierra Sun to their summer address at Georgetown, Calif.

Subscribe to the Sierra Sun!

Tahoeites Reminded Of Sanitation Regulation

TAHOE—James Wheat chief Placer County sanitarian, spent three days at the lake last week checking on sewage disposals. He invites residents of the Lake Tahoe area who are planning to build or install septic tanks to send to the Placer County board of health for specifications on septic tanks in order that they will conform with the requirements of the code.

There is no charge for this service and by installing them properly in the first place, costly corrective remodeling in the future can be avoided.

—the Yellow Pages are an "extra" that
makes your telephone more valuable

1. **Need first aid** for a lacerated paw? The Classified Section of your telephone book can give you the name of your nearest veterinary—fast. Day in and day out, the Yellow Pages are ready to help you meet emergencies . . . or answer routine "where to find it" questions. Classified is an important part of your telephone service.

2. **A happy solution**—that's Classified's specialty. Each easy-to-find listing gives the address as well as the telephone number of the store or service you want . . . If you want to go in person, you can find the spot closest home. Many articles are listed by brand—along with stores selling them—if you're looking for a particular one.

3. **It's a market place** that stays by your telephone. Classified's job is to bring buyer and seller together—quickly, easily. In a recent survey, some three out of every four people said they use it often or sometimes . . . and they mentioned hundreds of different businesses or services they remembered reaching through the Yellow Pages.

4. **Your telephone serves in many ways**—Classified is one often taken for granted. But it's part of what we do to make your service valuable. Today you can reach more people—more can reach you. Yet the cost of service remains low. A call is yours for just a few pennies . . . a real bargain in these days of high prices.

Tahoe Letter

FROM SWANEE

Tahoe, May 23

Dear Tahoeites:

Just to prove that summer is well on its welcome way to stay I'm sitting on my porch typing my weekly letter today. Following around three weeks of wet weather, the sun is again shining, the birds are singing and the manzanita is bursting forth with millions of tiny pink bells. The forest is filled with the songs of birds, the chipmunks and gray squirrels can be seen scampering about from dawn till dark. Even the huge black

ants have returned to our houses to nosey about as they do every summer. And, best of all, the beautiful weather of the past two days has brought out on Lake Tahoe just about every fishing boat available. Fred Main of Tahoe Boat Company Sunday told me that in all his years at Lake Tahoe he has never seen such success as he has witnessed the past few days. On Sunday he estimated there was between 125 and 150 pounds of shining lake trout, all sizes, on the warf at one time.

Had a call from Dave Chambers, who with his wife Phila, is now in for the summer. He

reminded me to make mention in the Sun that his three fire engines are in shape and ready to roll to any fires in the district. Fire fighting has long been an avocation of Chambers' and his equipment is always kept in tip top condition and his services readily available.

The school election at the Tahoe Lake Elementary School on May 20 was a mere formality with only 13 citizens showing up to cast their votes. Of this number seven voted aye and six against the 25 per cent tax raise being asked by the Placer Junior College and High School for additional funds for improvements and expansion of the Auburn school grounds.

I see the Don Del Carlos are in for the season and are working on their lakeside building near the Tahoe dam.

An interesting development at Lake Tahoe this week is the mailing in of a petition by C. W. Vernon of Tahoe City to the proper authorities with 60 signatures which include all the business men of the town. This petition asks that the name of our small village be officially changed from just plain Tahoe to Tahoe City. At present confusion reigns, especially with visitors who see the highway sign reading Tahoe City yet are told that the lawful name of the post office itself is Tahoe. Maps vary on the point, service station maps usually reading Tahoe but forest service maps, deeds and other documents for years have read Tahoe City. Business men of the area are unanimous that the present confusion may be eliminated. Just plain Tahoe can be north, south, east or west but in order to designate the town

proper, especially for the touring public, it is impossible to avoid the word City. Postmaster Oliver Corona, who has been trying to educate the townsfolk into calling their post office Tahoe, has no objections to the change and agrees a single designation should be attained.

With the return of good weather Tahoe summer residents are flocking in to the region to open their homes, some to remain for the season, others to vacation briefly on weekends. In Timberland Tract the J. G. Baldocchi home was opened over the weekend to accommodate friends of the family; the Emil Krafts of Woodland are expected in by mid-week as well as the M. A. Lopes family from San Leandro and the Dr. Lee Hands of San Francisco and family will arrive at the end of the week. They have purchased the home next door to theirs and are looking forward to fixing it up for their large family and larger circle of friends. Mr. and Mrs. H. C. Russell of Walnut Grove spent the weekend at their lakeshore home near Homewood. Back for the summer is Mrs. Alice Brown, postmaster of Tahoe Pines, who wintered in Sacramento.

Work is progressing rapidly on the new Tahoe post office addition which will give Postmaster Oliver Corona approximately 500 square feet more space in which to handle the ever-increasing volume of mail. It will be completed this week. On Fridau Miss Florence Vernon, librarian, assisted by Corona, moved all the books from the library into the Tahoe Community Center hall upstairs. No other building was available into which the library could move so it was decided to provide space in the hall upstairs. The alcove above the stairway will be closed in to provide a small office for the librarian and the two small

closets will be made over. The books will be placed on portable racks and locked up when not in use. Shelves for books will be provided which can be locked. Miss Vernon hopes to be open Friday, May 27th, for regular hours but if this proves impossible she will be open in the new location Wednesday, June 1. Hours remain as before, 1 to 4 p.m. each Monday, Wednesday and Friday. The library will not be open Monday, May 30, a holiday.

The junior fishing contest being sponsored by C. W. Vernon already has four local ails signed up as contestants. The contest is open to all youngsters under 16 years of age and will run until May 31. Registration is made at Tahoe Novelty Shop in Tahoe City. First prize will be a fishing pole and second will be a DeLiar scale and measure with a third award not yet announced. Judge Vernon decided to sponsor the contest to encourage the younger generation to take even greater interest in fishing. Already entered are Jerry Quam of Tahoe City who brought in a one pound silver; Dick Shelley of Sportsman's Port entered a 5 pound German brown; Ray Sorenson, Tahoe Vista, entered his 2½ pound silver; Borue O'Brien has registered but has not yet brought in his entry. Rules of the contest permit the boys to fish either from a boat on the lake or from a pier. The biggest fish take the awards.

A birthday dinner last Saturday night at the Tahoe home of Mr. and Mrs. A. M. Henry honored Carl O. Wheat of Reno and Tahoe. Al Henry Jr., Verne Daniels and Gary Henry provided the more than ten pounds of trout which was enjoyed by all. Guests who attended included Mr. and Mrs. James Wheat of Auburn, Mr. and Mrs. C. O. Wheat, Mrs. Mary Planett and son Fred of Verdi, Mr. and Mrs. Al Henry Jr. and children Gary and Karen, and Mr. and Mrs. Verne Daniels. Carl Wheat, incidentally, will again operate the service station at Tahoe Tavern this summer as well as conducting sightseeing tours of the region.

Mr. and Mrs. Austin Erskin of Auburn were weekend visitors at the home of Mr. and Mrs. Douglas Smith. Erskin and Smith on an early morning fishing junta brought back three nice mackinaw caught by the former, the largest a four pounder. Dave Owens of Lindsay and friends enjoyed a bit of fishing at Tahoe last week. Owens will return to

Tahoe around May 27 to serve as butcher at one of the lake markets.

Guests at the Tahoe Pines home of Mr. and Mrs. Henry Soll over the past weekend were Mr. and Mrs. William Baumgartner of Santa Clara.

Two last minute reminders to Tahoeites: one for veterans wishing property tax exemption, the assessor will be at Tahoe Novelty Shop on May 26 and at the Sportsman in Kings Beach May 27; and watch for further news of the PTA Carnival to be held in Tahoe Lake School June 10

at 6 p.m. An entertaining evening is promised to all attending. And thanks to all of you who sent me birthday cards and called with good wishes on my birthday, May 20. My daughter, Marie, and family of Reno joined us for chicken dinner and daughter Phyllis talked with me by phone for 20 minutes from Mt. Vernon, Ill. Leave you for the week with all good wishes, as ever, Swanee.

There are some 4000 varieties of trees in San Francisco's Golden Gate Park.

NOTICE OF INTENTION TO SELL

Notice is hereby given pursuant to Section 3440 of the Civil Code of the State of California that T. A. Johnson and E. E. Bowers, doing business as Tonini Grocery, located in the I.O.O.F. Building, Commercial Row, Truckee, Nevada County, California intend to sell the personal property usual to a grocery store and known as belonging to them to Wayne E. Philippi, Elmay R. Philippi, Doyle F. McGinnis, Anthony Pace and Jeanne R. Pace, all of Truckee, County of Nevada, State of California.

The consideration will be paid on Wednesday the First day of June 1949 at 10:00 o'clock A.M. at the office of R. N. Little, Commercial Row, Town of Truckee, County of Nevada, State of California.

Dated at Truckee, California May 23, 1949
T. A. JOHNSON, Vendor

Tahoe Speedboat Star Plans Invasion of Trophy Races in East

TAHOE— R. Stanley Dollar Jr. and his crew of workers, all personal friends, are very busy these days putting the finishing touches to Dollar's all aluminum streamlined hydroplane Skip-A-Long of California, which he is taking to Detroit this summer for what promises to be the biggest speedboat race schedule in the history of the sport.

He will enter Skip-A-Long of California in the Gold Cup race on July 2, the Ford Memorial Trophy race on July 4, and the Percy Jones Memorial Race for the veterans at Gull Lake on July 17. Dollar hopes to win a place on the American team defending the famous International Harmsworth Trophy on July 29-30 against the challenges of Italy and Canada. On August 1

he will race in the 100-mile Detroit Marathon and on September 3-5 the Detroit season with the Silver Cup race.

Skip-A-Long of California is being rebuilt at Hookston, California, about 40 miles from San Francisco, and is expected to be finished, and is ready for its first trial run on May 18, Dollar's 34th birthday.

With this speedboat, the young western racing enthusiast won the Lt. J. J. Meehan Jr. trophy and plaque for the fastest lap of the Silver Cup race in Detroit on September 6, 1948, with an average speed of 78.182 mph.

Since then the boat, which is 30 feet long with a 12-foot beam, has been completely redesigned and rebuilt with new sponsorships and a new 2,000 horsepower Allison aviation engine.

R. Stanley Dollar Jr., grandson of the famed shipping magnate, Captain Robert Dollar, was born with the sea in his blood. He started racing speedboats on Lake Tahoe long before he was old enough to drive an automobile and has rolled up an imposing string of victories. In addition to winning the Lake Tahoe championship ten times he has raced speedboats in such distant places as France and the Philippines.

In 1935 Dollar built the speedboat Uncle Sam and took it to Paris, where on July 6 of that year he was the only American entrant in the Spreckels Trophy Race of the International Speedboat Races held on the Seine. For the first half of the race he was ahead, then his steering

gear jammed and the boat overturned twice while he was doing 70 miles an hour but Dollar escaped unscathed.

In 1932, when Dollar was 17, he made a trip around the world with his father, R. Stanley Dollar, president of the Dollar Steamship Line, and his mother and sister. To satisfy his racing enthusiasm, the young lad took his 28-foot speedboat President with him and raced it in the various ports where the Dollar Line cruise ship stopped.

He found interest in speedboat racing highest in Manila and gave the thousands of spectators who lined the shores of Manila Bay a great thrill when he won all the races of the regatta staged in his honor.

Lindsay Opposes Oleo, OK's Legal Bookies

SACRAMENTO —(W.N.S.)— Sales of pre-colored margarine were not favored by Assemblyman Francis Lindsay, representing Nevada County, when he voted no on the Maloney Bill allowing coloring at the place of manufacture. However, the measure, sponsored by San Francisco Assemblyman Thomas Maloney, was passed by a 52 to 20 vote.

In another vote, Lindsay went on record in favor of legalized bookmaking in California on the roll call by which the bill was refused adoption when the lower house voted 34 to 40 against it.

Sierra Sun Advertising Pays!

BARTON GUESTS
BROCKWAY— Mr. and Mrs. John Bush, who were married on May 8 at Morris Chapel, College of Pacific, Stockton, spent their honeymoon at one of the Barton cottages at Brockway. She is the former Maryann Moore of Lodi. Mr. and Mrs. Albert Reid of Abraham, Utah, are spending a few days with their daughter, Mrs. Ray Barton of Cal-Neva Lodge at Crystal Bay. Reid is a prominent cattle ranch owner of his home state. It is Reid's first trip to Lake Tahoe and he is enjoying the beautiful sights here.

Gates at Tahoe Still Are Remaining Shut

TAHOE— The level of Lake Tahoe Monday stood at 6225.32 with still no water leaving the gates of the dam in town. Coldest day of the past week was on the 17th with 30 degrees and warmest was on the 19th with 63. Precipitation for the week measured .85 of an inch.

Dr. and Mrs. H. H. Searles of San Francisco spent the weekend recently at their summer home near Carnelian Bay.

Unified School Chief Will Live at Tahoe

TAHOE— Mr. and Mrs. Everett O'Rourke were at Tahoe on Sunday. They inspected the Tahoe Park home of Mr. and Mrs. Alec Donaldson and have leased it. They are arriving this week from their home in Woodland with their 16-year-old son. O'Rourke is the new superintendent of the Tahoe Truckee Unified School District.

Love birds are really parrots.

STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS, DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on June 15, 1949, at which time they will be publicly opened and read in the Assembly Room of said building, for constructing State Highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, in Truckee, between intersection of Commercial Row with Bridge Street and 1/2 mile east (III-Nev-38-A), about five-tenths (0.5) mile in length to be graded and surfaced with plant mixed surfacing on gravel base.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Classification	Rate Per Hour
Apprentice (oilier, fireman or watchman)	\$1.775
Asphalt plant engineer	2.225
Blaster - powderman	1.775
Bootman	1.70
Boxman or mixer box operator (concrete or asphalt plant)	1.925
Carpenter	2.125
Cement finisher (journeyman)	2.15
Concrete mixer operator (up to one yard)	1.875
Concrete mixer operator (over one yard)	2.175
Fireman in hot plant	1.875
Flagman	1.425
Laborer	1.425
Operator of jackhammers - vibrators and all air, gas and electric tools	1.65
Operator of power shovel and/or other excavating equipment with shovel-type controls (up to and including one yard)	2.375
Operator of power shovel and/or other excavating equipment with shovel-type controls (over one yard)	2.525
Painter (brush)	2.00
Painter (spray)	2.25
Power grader operator (power planer, motor patrol or any type power blade)	2.375
Reinforced steel worker	2.15
Roller operator	2.225
Spreading machine operator	2.225
Tractor operator	2.225
Truck driver (18 cubic yards water level capacity or more)	1.9875
Truck driver (14 cubic yards and less than 18 cubic yards water level capacity)	1.8625
Truck driver (8 cubic yards and less than 14 cubic yards water level capacity)	1.80
Truck driver (4 cubic yards and less than 8 cubic yards water level capacity)	1.6125
Truck driver (less than 4 cubic yards water level capacity)	1.525
Any classification omitted herein not less than	1.425
Overtime - one and one-half (1 1/2) times the above rates. Sundays and holidays - one and one-half (1 1/2) times the above rates.	

Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions).

The Department of Public Works reserves the right to reject any or all bids.

KOLO—920 ON YOUR DIAL

With Nevada baseball fans listening to Reno and Las Vegas Sunset League games being broadcast when their teams are in the home park it is a good time to tell you how nation-wide radio broadcasting began.

It started back in 1921 with a man named Andy White. He was obsessed with the idea of presenting one radio program that could be heard at the same time all over the nation. It was a fantastic idea, because there was only a handful of radio stations, and none of them were very powerful.

To begin with, White shopped around for an event of such great interest that people everywhere would want to hear it. At last he found what he was looking for. It was a prize fight to be held on July 4, 1921, a heavyweight championship bout between the great Jack Dempsey and the French challenger, Georges Carpentier. The contest had captured the imagination of everyone in the world.

Andy White went to see the man who was putting on the bout, Tex Rickard, the greatest boxing promoter of his time. He asked Rickard's permission to sit at the ringside and broadcast the fight to people throughout the United States.

The famous promoter ridiculed the idea. He pointed out that there were no transmitters in existence strong enough to carry all over the nation and that there weren't enough radio sets to receive it. However, Andy found out that a special transmitter had been built that could be heard all over the land.

With this information, Andy White called together all the important movie theater operators in the country and asked them if they'd install radios in their theaters so that audiences could hear the heavyweight championship bout, blow-by-blow, and direct from the ringside. The response was immediate and enthusiastic. The theater owners were wild about the idea. They all bought radio receivers and had them ready for use on the day of the big fight.

After that, Andy White had no difficulty at all in making Tex Rickard agree to let him make the broadcast from the ringside. Came the eve of the fight. Everything was set for the great experiment. Then the blow fell. Andy White discovered that the powerful transmitter he wanted to use belonged to the United States Navy! He would have to get official permission.

In panic, Andy rushed to Washington to plead his cause with the top command. But the navy brass refused. The fact that thousands of people all over the country would be disappointed if the broadcast didn't take place didn't move them at all.

About to give up his cause as hopeless, Andy White finally found one official with enough authority to tell him to use the navy broadcasting set, and that he would take the responsibility for the action. And so radio history was made. Thousands of people throughout the United States heard the first coast-to-coast broadcast of an important event.

Since then, as we said, every important sports event goes out over the airwaves, but few people know the story of Andy White's early struggle, or that the official history, was an obscure assistant Secretary of the Navy. He later became president of the United States. His name was FRANKLIN DELANO ROOSEVELT!

Notice of Intention to Engage in the Sale of Alcoholic Beverages

May 16, 1949
To whom it may concern:
Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Donner Lake Lodge, s-s Hwy 40 6 miles west of Truckee, Nevada County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer and Wine; On Sale Distilled Spirits; Seasonal.

Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Fire Season Opening, Rules Are Reviewed By Forest Supervisor

Supervisor Guerdon Ellis of the Tahoe National Forest announces fire closure under federal fire regulations, effective on June 1. Ellis reports that:

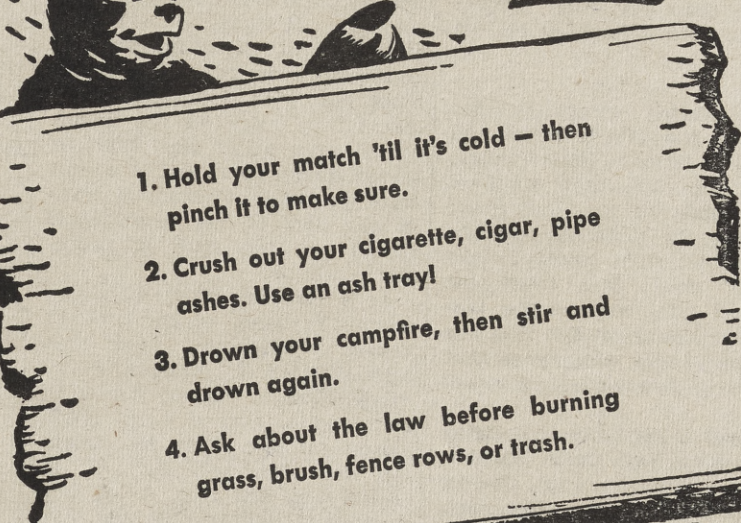

"Regional Forester P. A. Thompson, U.S. Forest Service, under authority vested in him by the secretary of agriculture, has declared a period of fire hazard and danger to exist upon all lands of the United States within the Tahoe National Forest beginning June 1 and extending to October 31, 1949, and has authorized me to place the following restrictions in effect which prohibit:

"Building a campfire on those portions of any National Forest which have, with the approval of the regional forester, been designated by the respective supervisors thereof, without first obtaining a permit from a forest officer;

"Smoking during periods of fire danger publicly announced

Vacation Time..

-is the time to be careful too!

1. Hold your match 'til it's cold - then pinch it to make sure.
2. Crush out your cigarette, cigar, pipe ashes. Use an ash tray!
3. Drown your campfire, then stir and drown again.
4. Ask about the law before burning grass, brush, fence rows, or trash.

Remember - Only you can PREVENT FOREST FIRES!

by the regional forester upon such areas as may be designated by him, which may include roads and trails and improved camping grounds, but shall not include improved places of habitation;

"The throwing or placing of a burning cigarette, cigar, match, pipe heel, firecracker or any ignited substance in any place where it may start a fire, and the discharging of any kind of fireworks on any portion of a national forest closed by order of the regional forester to the discharging of fireworks;

"Having in possession, or firing or causing to be fired, any traced bullet or tracer charge onto or across such lands.

"Therefore public notice is hereby given as follows:

1. A permit for building a campfire will be required.
2. No smoking will be allowed except at places of habitation and especially posted area. Camp grounds are considered places of habitation.
3. It is unlawful to place or

throw any lighted substance on any national forest land. Fire works are prohibited.

4. Having in possession or using any tracer bullet is unlawful."

Lassen Summer Ski Meet Cancelled in Dispute

REDDING—The Mt. Lassen Ski Club's annual Midsummer Ski Tournament, held each year in late June or early July on the slopes of Lassen Peak, has been cancelled for this year, Phil Brown, club president, announces.

Inability of the club to comply with dues requirements of the Far Western Ski Association, without whose sanction the meet cannot be held, together with soft snow conditions this year, were given by Brown as reasons for cancellation.

The tournament has brought nationwide publicity each year to the Shasta Cascade Wonderland area of which the Lassen Peak National Park area is an outstanding feature.

Tax Rate Cent Yields \$2318 for 1948-49 For County's Coffers

Each cent of Nevada County's property tax rate for 1948-49 resulted in a property tax levy of \$2,318, compared with the \$1,816 levy for each cent of the county tax rate for 1941-42, California Taxpayers' Association reports.

Tax rate for general county purposes in the county was \$1.87 for 1948-49, with a total general county levy of \$431,973, compared with the rate of \$1.50 for 1941-42 and levy of \$272,632. Cities, special district and schools in the county also levy taxes on property, total levy for 1948-49 being \$934,200.

Total taxable valuation in the county for 1948-49 was \$23,178,700, compared with \$18,161,975 for 1941-42.

Per capita value of property in the county averaged \$946 for 1948-49, compared with \$1020 for 1941-42.

Tahoe Men Convicted In Burglary Case

RENO—Pleading guilty to petty larceny, James C. McLain, 23, and Daniel L. Daffinrud, 21, of Kings Beach, Lake Tahoe, were each fined \$60 in justice court last week. Alternate penalty for each was a 30-day jail term.

Daffinrud and McLain were arrested last week for investigation of burglarizing the George Hart home at Crystal Bay. It is believed the men moved into the summer residence after the Harts left during the winter.

Charges against the two were reduced to petty larceny after investigation.

Skiing on Highways Is Outlawed by Bill

SACRAMENTO —(W. N. S.)—Skiing and tobogganing across California highways may soon be illegal. The Assembly approved a bill which would outlaw sports where they interfere with the normal flow of traffic.

The measure is sponsored by Senator H. E. Dillinger of Placer county and has already been approved by the Senate. It now goes to the governor for his signature.

Alpine County Peaks

Alpine County has two mountains, Stanislaus Peak and White Mountain, which are over 11,000 feet in elevation.

Keys in Car Ignition Is Temptation To Juvenile Delinquency

The motorist who leaves automobile keys in the ignition, even though he plans to return to the car immediately, is encouraging juvenile delinquency, warns the California State Automobile Association.

Police records show that 63 out of every hundred people arrested for stealing automobiles were minors who yielded to an

impulse to take a joy ride when they found the ignition key in place and ready to turn on. This also explains the fact that 95 per cent of the juvenile car thefts occurred within one to three minutes after the car was parked.

They should remember that, under California law, automobile theft is a felony in all circumstances. Youths who steal a motor vehicle to go joy-riding are just as guilty of a felonious act as the "hot-car" operator who steals for purposes of sale.

How George and Jean won \$2,000 college scholarships

These two young Westerners, Jean Hathaway of Chico, California, and George Emde, Jr. of Lodi, California, will begin college next fall with the help of \$2,000 scholarships awarded by Standard of California.

They were chosen as outstanding among 4-H Club and Future Farmers of America members who raised and showed their own livestock at the recent Grand National Junior Livestock Exposition in San Francisco. Four other scholarships of \$1,000 each were also awarded—to Mary Lee Hay of Lovelock, Nevada; Robert Young of Quincy, California; Ralph Boyd of Lancaster, California; and James Buell of Buellton, California.

Scholastic ability, leadership, personality, records in club projects were all considered by 4-H Club and F.F.A. judges.

We'd like to say "Good Luck!" to George, Jean, Mary, Robert, Ralph and James. We know they'll do a fine job in school...and later as good citizens of the West.

Summit Scene

by FRAN COUILLARD

The children of the Donner area have been holding their horses since last fall awaiting the dedication of the Donner Trail Elementary School that would make their school officially theirs. The date has finally been set for June 1 and Olie Tiffie, the teacher, is arranging a program of merit while the Community Club is thinking about the refreshments it will serve to those who will witness the dedication. A speaker from the state department of education will officiate. Mrs. Tiffie's children have been practicing their folk dancing. Former teachers who have taught in the area will be guests. Mrs. Lois Hack of Sacramento will dedicate the flag given to the school by the Daughters of the Union Veterans of the Civil War. A dictionary donated by Lloyd Wood of Richmond will be dedicated by the Community Club.

For years the children of the area attended school in a build-

ing furnished by the Southern Pacific Company. Its position necessitated the children going through the Norden Tunnel to cross the tracks. Within the shadow of the snowsheds the room was grimy from train soot. Everything that could be done to make it comfortable for the children was done, from the installation of a furnace that refused to breathe in its cramped quarters to indirect lighting fixtures that were too bright in the small room. The Community Club had a school clean up day where everyone in the possession of a Jeep or truck participated to remove the rocks from the play portion of the surrounding yard. While the men, aided by Frank Martinez' section gang, pulled out the rocks, the women painted and cleaned the interior of the building. Finally, as the district grew and more children came into the area the school became as cramped as the shoe that old woman of nursery lore, filled with her brood. We tell you this story because the necessity for a new school was directly responsible for the Donner Community Club's being and the club members feel that if nothing else has ever been accomplished by their group, the new school that now sets in the trees in the Kingvale area, a credit to the community and adjudged one of the country's most beautiful elementary institutions, is worth all of the effort that they made. I can remember when Lola Schull of Kiski Lodge and myself drove up and down the highway proudly displaying the blueprints for the school when it was contemplated. We circulated petitions for the formation of a district that would enable the area to enjoy a new edifice. The state highway maintenance department did a wonderful job of keeping the road open and maintaining it through the winter. The furnace that refused to breathe in the old building likes its new cement basement so much that it does a grand job of keeping children warm and comfortable. The stage in the auditorium is beautifully lighted and a moving picture machine with sound is part of the original equipment. Mrs. Tiffie and her children are so justly proud of the school that they are extending the invitation for its dedication to each and every one of you.

Next year 38 children will make the one classroom overly crowded and the auditorium will have to be used for a classroom. The surrounding yard, which could not be fixed up last fall due to early snows will soon be converted into a fine playground for children. Milton Hogle of the Soda Springs Ski Corporation has offered his heavy bladed truck

for the necessary clearing. The Community Club members are trying to think up ways of making enough money to purchase a stage curtain to enhance the proscenium in the auditorium. The building of the Donner Trail Elementary School has done more toward cementing the community together than any other project that has been attempted by the area.

Starr Walton entertained her friends at the Chuck Wagon on May 14 — Starr's 7th birthday. Twenty tots and their mothers had a wonderful time and Starr can recite the birthday presents she received right down to the last "T" shirt. This intelligent little girl who wins racing trophies every year on her skis has a birthday party every year that even the grownups look forward to.

We had a birthday too. Betty Horak, Rita Vail, Ruth Meador, Madylon Walton, Peg Travis, Lee Sandahl, Helen Bergman, Eula Sherritt, Marie Strickland and Eleanor Johansen walked into our house about 7 p.m. on Monday night with a pot luck dinner and we had a wonderful birthday party. It was what we affectionately term an Old Bag Party—no men allowed—but Elmo Moriano and Bud Horak managed to crash it for the brief time it took to toss them out.

Elmo Moriano of Beacon Hill struggles with ideas for the Ladies Night party for the Rotary Club that will be thrown on June 4. He might as well shelve any ideas he might have for the said ladies have taken over the evening. Mary Wolert, an honorary Rotarian, will preside over the meeting. It will be the tenth anniversary of the forming of the Truckee Club so we look for a lot of fun.

Jim Sherritt returned from the Elko Rotary conference with three and a half of wire recording of the various speeches and music that he heard. And speaking of Jim's wire recorder, be careful what you say when you enter the Sherritt home for the microphone can be hidden any old place. One of our mountain projects is making the beautiful drapes for the Sherritt home. This occasions an "old bag" party about one night a week. At the last one we were not aware of the hidden microphone. When we finally folded up our work and sat down for a snack the recording of the evening's work was turned loose for our entertainment. Women's gossip, punctuated by the tearing of yards of lining for the drapes, made a story that made us all hysterical.

The May Community Club meeting was well attended in spite of a nasty drizzle. Jim Sherritt was the program. Seems Jim and his wire recorder are everywhere these days. This time he played the history of the Donner Community since the of his great-grandfather, which he knows so well. President Glen Parsons ably presided.

The beautiful weather finds all the gals outside in their shorts and halters getting their sun tan while they rake and burn up the winter debris. We look longingly toward the river while we wait for fishing season to open so we can start toward the back country with our rods.

A few of the mountain folk are on vacation. The Virgil Misners take off a few weeks to go to Utah. The Harry Pratts go to Minnesota while their ten year old daughter Nancy takes her first bus trip alone to Oregon where she will stay with Grandma on the farm. Madylon Walton looks forward to a southern California vacation and talks about she and Liz Pierson of Kiski taking a trip later on this summer—a unique kind of trip in a

FLORISTON

by C. A. FELESINA

FLORISTON— Bob Whittenberg, president of the Floriston Property Owner's Association, and Frank Seymour, association treasurer, started looking for recruits to work on our road on Sunday. They succeeded in getting Max McCurdy, Bob Winter and Elmo Smith of Sacramento, houseguests at the Whittenberg home and with themselves did a nice bit of work on the underpasses, after which Mrs. Seymour served dinner for them. A couple more weekends of volunteer work on the part of the townspeople should put the road in pretty fair condition.

At a birthday party Saturday evening in honor of her brother, Robert Whittenberg, Miss Barbara Whittenberg announced her engagement to Robert Winter of Sacramento. Out of town house guests for the party and weekend were Mr. and Mrs. E. E. Smith, Mr. and Mrs. J. A. McCurdy and children, Mr. and Mrs. John Whittenberg and son and Robert Winter all of Sacramento. Mr. and Mrs. Whittenberg's

Jeep with sleeping backs and the works. Think they might wind up in Canada. Jim Sherritt flies to Los Angeles for a few days. Frank Martinez takes a trip to Mexico. Also Juan Servin.

The Soda Springs ski hill is in the process of having a shave. As there is talk of a new ski lift on the hill, we are wondering if it isn't true as trees are being felled and this old skiing stamping ground is being rejuvenated. Hear that the Ski Ranch is contemplating improvements this year too. Southern Pacific officials recently visited the area to check up to see if accommodations would permit the running of snowball specials next year. As the PG&E will run their new power lines this summer, practically all of the lodges in the area will be filled for the summer months with the huge crew. With a definite tightening up of summer vacationist this year this group of men distributed through out the area will help the natives realize that there is no off-season—for 1949 at least.

Mrs. Lois Hack is opening up her cabin at Kingvale Park for the summer. Think she will be the first summer resident at Kingvale. We have had a number of inquiries from various places asking about facilities in the area, most of them being interested in family cabins. So we contemplate a pretty busy summer. The Joe Blackfords of Cisco Grove on their way up to the mountains again to establish themselves for the summer.

Notice of Intention to Engage in the Sale of Alcoholic Beverages

May 23, 1949
To whom it may concern:
Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Fanger's Lodge, Hwy 89 at Tahoma, Placer County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer and Wine; On Sale Distilled Spirits; Seasonal.

Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

Albert J. Fanger

three young daughters Patricia, Barbara and Karen have also returned home to stay. They have been staying with their aunt and uncle, the McCurdy's in Sacramento.

George Ward and daughter Joan of San Francisco were weekend visitors at the John Hartwick home. They are former residents of Floriston and came up to get some of their belongings. Due to the arrival of a new daughter a couple of weeks ago, Mrs. Ward was unable to accompany them on the trip.

Mr. and Mrs. Lester Felesina accompanied by their houseguests Mrs. Beulah Murray of Wadsworth, Nev., and Mrs. Marjorie Thies of San Francisco spent the weekend in Wellington, Nev., visiting Mr. and Mrs. Thomas Ju-

lian. Mrs. Julian is a sister of Mrs. Thies and Mrs. Felesina.

Mrs. John Knapp and daughter Eleanor and sons Bobby and Dicky have gone to Stockton to stay with Mrs. Knapp's father, William Goke, who has been quite ill. They will be gone for an indefinite time.

To Return to Tahoe—

Dr. C. B. Pedersen was at Tahoe from Auburn Sunday for a visit and will return to Tahoe Tavern in June as resident physician for the summer.

Back at Tahoe—

Back at Tahoe for his annual visit is Dennis Gordon, former wood merchant of the lake region, the guest of Mrs. Rose Boylides in Bittencourt Tract.

DEATH NEVER TAKES A HOLIDAY

Don't let holiday "spirits" get you involved in an accident. Liquor and gasoline don't mix. If you drink, don't drive. Let someone who is not drinking drive you home. Remember, death never takes a holiday.

Be Careful—the life you save may be your own!

IN THE JUSTICE'S COURT OF MEADOW LAKE TOWNSHIP, COUNTY OF NEVADA, STATE OF CALIFORNIA. Case No. 197 JACQUES MORVAY, Plaintiff, -vs.- CHARLES BRUNK, Defendant. **SUMMONS** THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO CHARLES BRUNK, DEFENDANT: The above named plaintiff having brought action against you in the Justice's Court of MEADOW LAKE Township, in the County of Nevada, State of California, held at Truckee, California, by filing a complaint therein;

YOU ARE HEREBY DIRECTED to appear and answer the said complaint within ten days after the service on you of this summons, if served within the county in which this action is brought; or within thirty days, if served elsewhere.

And you are hereby notified that unless you so appear and answer as above required, the plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or will apply to the court for any other relief demanded in the complaint.

GIVEN under my hand and the seal of the Justice's Court of MEADOW LAKE Township, County of Nevada, State of California, this 23rd day of February, 1949. [s] R. N. LITTLE JUSTICE OF THE PEACE of said Twp. (SEAL) R. S. FLANARY, Sparks, Nevada, Attorney for Plaintiff j30

house floor. The Reagan bill would allow unincorporated areas to form a special district which would afford various public services for its residents. It would allow them to establish additional police protection, fire protection, establish zoning ordinances and set up pest control districts. According to Reagan, it is a stepping stone towards incorporation for districts that do not want to go that far at present.

Reagan contended his measure was aimed at stopping piecemeal annexation of outlying districts by certain cities. His bill would bar the annexation of any part of the unincorporated district until it had been given consent to withdraw by remaining voters within the district.

Vincent Thomas, San Pedro, chief opponent of the measure, said it would allow the county supervisors to escape responsibility in many questions by shoving problems on the shoulders of the district selectmen. He also contended it would raise county taxes in supporting the new district.

Famine occurs in some portion of India every year.

Hinkle's Latest Tome Wins Plaudits Of Noted Literary Critics

The latest book by George and Bliss Hinkle of Tahoe, Sierra Nevada Lakes (New York: Bobbs Merrill, \$4) which was released this month, has drawn very favorable comment from literary critics from coast-to-coast.

Joseph Henry Jackson devoted much space in the San Francisco Chronicle to praises for the volume. Herbert B. Nichols, writing in the Christian Science Monitor, international daily newspaper published in Boston, Mass., also gave it a favorable review recently.

"From start to finish, the tale of these mountain lakes is packed with thrills enough to please any devotee of western stories," Nichols said. "To produce a book that children can read and that won't offend Aunt Priscilla, the authors have somewhat toned down their reporting from the original language. But you can still hear the old prospector with typical nonchalance describing where he got those golden pebbles that represented an absence of several months, days without sufficient food, nights without sufficient warmth or sleep."

"Those who study history and those who just like a good story will read this book from cover to cover—then look the index over as I did to bring up quick memories," the Boston reviewer concluded.

The Hinkles are particularly well equipped to write the history of the Sierra Nevada Lakes. Both were born and reared here in Truckee, the geographical center of the range. Both have come to know the history of the lakes through the stories of grandparents and parents as well as through scholarly research. Dr. Hinkle can remember Modjeska playing Camille above Bill Hurd's Truckee saloon. Mrs. Hinkle's father, C. F. McGlashan, former publisher of the Truckee Republican, was celebrated for his encyclopedic knowledge of Sierra lore.

SAGEBRUSH LEAGUE TO OPEN SEASON SUNDAY
The Sagebrush League, in which Truckee played and won the pennant in 1947, this year is reduced to five teams—two at Verdi. Others are Coleville, Nixon Indians and Carson Prison.

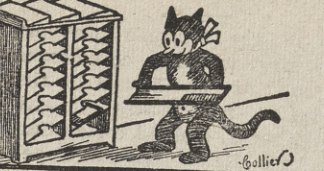

In the only league game Sunday, May 29, the Verdi Boosters face the Verdi Juniors to open a season which runs to August 21.

Education Far Ahead In County Outlay
If it were possible to buy Nevada County for its total assessed valuation, it would cost the buyer \$23,175,700, based on assessments by county officials and the state board of equalization for the fiscal year ending June 30, 1948. This information was contained in a report from the office of Thomas Kuchel, state controller.

The report also tabulates tax collections, bonded indebtedness and disbursements for the same period. During that year Nevada County spent \$711,584.40 on education; \$120,106.10 on general government; \$77,658.27 on protection to property and person; \$26,929.75 on health and sanitation; \$196,065.29 on highways and bridges; \$65,270.23 on recreation; \$656,345.52 for charities and correction, and \$8,632.50 on miscellaneous items.

Tahoe Visitor
Mrs. Ruth Ables of Auburn was a Tahoe City visitor over the weekend.

My Place in the Sun

by DOUG BARRETT

There's a few happy birthdays this week....Barbara Brown was nine and Connie Marie Forrest was one on May 22....Irene Englehart Jr. passed nine May 24....and to all these and any others I may have missed, my sincere best wishes....Johnny Richards of the Tourist Club was down in Grass Valley to tend his hobby, gardening, and brought back an armload of blossoms....Ray Saibini back in these woods jockeying a milk wagon....Tommy LaRocca, Bill Curran and Pike Boehm side-tracking from the Eagles conference in Redding to take in a baseball game twist Chico and Oroville....The Sam Gosses got homesick, quit Belden and are back at their Tahoe home again....Bill Englehart tells me that mill of the Crandall Brothers at Hilltop is very near the site of Truckee's first mill....which was put there by the pioneer lumberman George Schaeffer....Reg Smart and I walked down Tuesday around 6 a.m. to watch them snake the Catholic Church past the power line which was why the power was off then....Jimmy Melver and Duane Kent making real progress raising the corrugated iron roof off Thornton's Garage....Boys of Scout Troop 7 issuing forth from Scoutmaster Bill Bottel's Jeep reminded me of the old Toonerville Trolley cartoons....Superior Judge James Snell up from the county seat for a little fishing....With the Truckee Mountaineers picking up steam, the 20-30 Softball team in the swim, Frank Titus Sr. is talking of organizing his Truckee Grays and giving those young upstarts a lesson....If he does he'd better scout E. A. Parker who showed a lot of class in a back lot neighborhood game of one-o-cat with the kids the other night....Glad to see Ray Roberts out and around again....He must take it easy for a while but he's feeling much better than he did for a spell.

Sattler Returns
Emil Sattler, who had been in Stockton during the winter, returned this month to Tahoe City where he is engaged in the building contracting business with Nick Zauner.

The pyramids of Egypt contain plaster work at least 4,000 years old.

Tahoe Fishing Good As Weather Clears, Record Season Forecast

TAHOE—Beautiful weather over Saturday and Sunday has brought success to literally hundreds of fishermen on Lake Tahoe over the weekend.

Several nice catches were reported at Sportsman's Port at Tahoe Vista.

Mr. and Mrs. Gerry Waters of Tahoe brought in their limit of mackinaw Sunday after a short time fishing.

At the Tahoe Boat Company piers Fred Main reports the best fishing he has ever seen in all his years at the lake. On Sunday between 125 and 150 pounds of trout, all sizes up to nearly 12 pounds, lay on the pier at one time.

Fishermen are taking them in by sacks full and those fishing from the pier were having unusual luck.

At one time close to 40 boats could be seen on the lake off Tahoe City and general success with only a few failing to connect with trout.

If present good weather continues, the season should prove a record breaker.

Employers of men servants must pay a luxury tax in England for this service.

HOME TOWN OPPORTUNITY AT LAST

It looks like Donner Lake is going to be developed into a recreational area. We all know it is one of the West's most picturesque spots, steeped in early California History. You tell me why it has not been developed before and then let me show you why I think you are missing an opportunity to get in on the ground floor of a new development in your own back yard, that is destined to become one of California's leading Resorts. Drop out and let's talk it over, it costs you nothing.

THANK YOU

Elsewhere in this paper you will find news of our sale of TONINI'S. We have enjoyed the pleasant associations we have had during our three years in Truckee.

The friends we have made we will value always. Our part in the life of the community has been a source of satisfaction to us.

In parting we commend your confidence to our successors. They are well known to you and we hope you will give them your loyalty and patronage.

Again we offer our sincere thanks for favors and friendship of our three years in business here.

COPELAND-TORRI NUPTIALS HERE ON LAST SUNDAY

One of the season's prettiest double ring wedding ceremonies took place at the Church of the Assumption in Truckee Sunday when Miss Helen Larene Copeland became the bride of Francis Manook Torri of Reno.

The bride was gowned in the traditional bridal satin and veil and carried a crescent bouquet of white carnations and fern, tied with white satin ribbon. Little Carol Ann Quilici carried her train. She was given away by her father, J. V. Copeland.

Mrs. Frank Quilici, matron of honor, was gowned in magneta taffeta and carried a colonial bouquet of pink carnations. Miss Betty Copeland, the bride's sister, wore green taffeta and her colonial bouquet was also of pink carnations. Arlene Copeland, the bride's younger sister, was flower girl. She and Carol Ann wore identical dresses of white dotted swiss. Michael Talepewski of Sierraville was ring bearer.

Mrs. Copeland, the bride's mother, was attired in gray and wore a corsage of red roses. Mrs. P. A. Torri, the bridegroom's mother, was in beige and also wore a red rose corsage.

Kenneth Torri of Loyaltown was best man for his brother. Mrs. Marcel Bony of Sierraville was organist.

Following the wedding a reception was held at Capitol Hall where the bride and groom cut the cake.

The bride is the eldest daughter of Mr. and Mrs. J. V. Copeland of Truckee, attended local schools and for the past two years has been employed at Fontana's Laundry. The groom is the youngest son of Mr. and Mrs. P. A. Torri of Loyaltown, attended Sierra Valley high school and served two years with the army in Alaska. He is employed in Reno, in which city the couple will make their home.

Hospital Bonds Topic Of Meeting Tonight

T. L. Chamberlain, Auburn attorney, will meet tonight with the directors of the Tahoe Forest Hospital District to discuss legal details of the proposed bond issue which is expected to be presented in the district in the near future. C. R. Heller, chairman of the board, will preside at the meeting.

Flew Home—

William Porter went to Berkeley Sunday, returning home in his airplane which he plans to keep here during the summer months.

Visits Father—

Mrs. Don Keskeys of Sacramento is visiting her father, Richard Joseph, this week.

Meeting—

A regular meeting of Pythian Sisters Summit Temple 79 will be held tonight at 8 p.m.

Passing Through—

Mr. and Mrs. A. G. Bailey visited with Mr. and Mrs. Walter Barrett en route from Maine to their Woodland home.

Recovering—

Mrs. D. Rylander is reported to be recovering from an operation performed at Reno last weekend.

Observes Birthdate—

R. N. Little observed his birthday at a family dinner at the Little home here last Thursday.

Hayes Write—

Mr. and Mrs. Mel Hays of El Paso, Ill., wrote to renew their contacts with local friends and note changes in the district via the Sierra Sun. They continue to find farm living most enjoyable since leaving here several years ago.

Repairing Tank—

A Southern Pacific water service crew is busy this week repairing the tank near the depot.

Tarzan

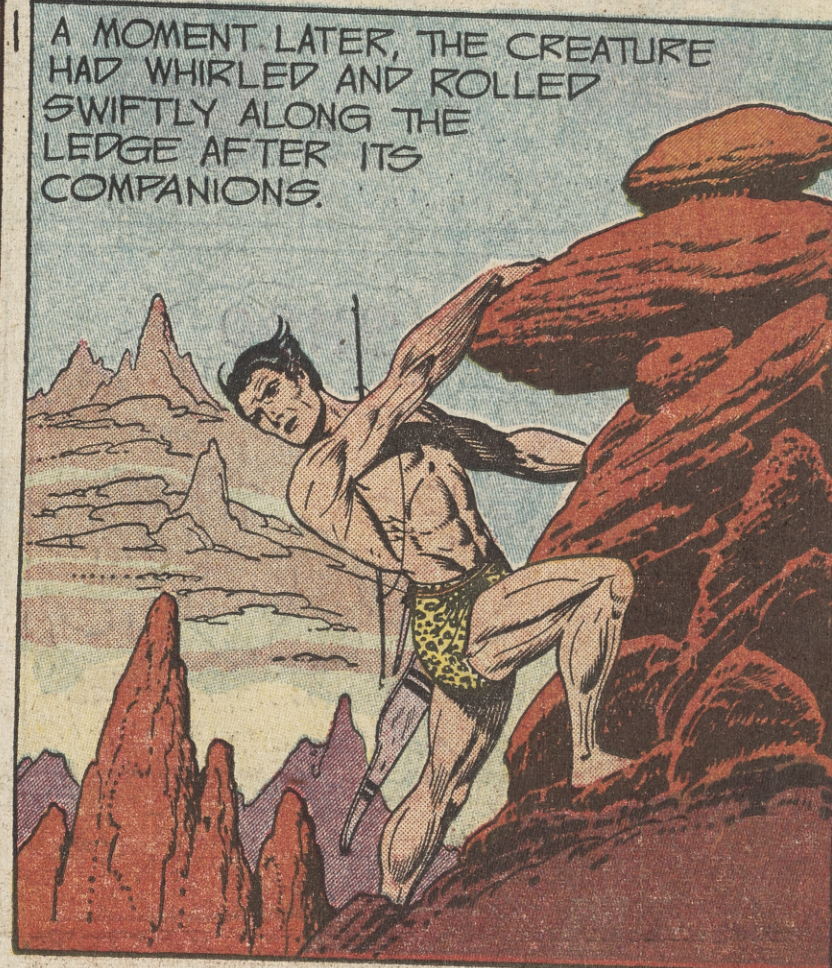

by EDGAR RICE BURROUGHS

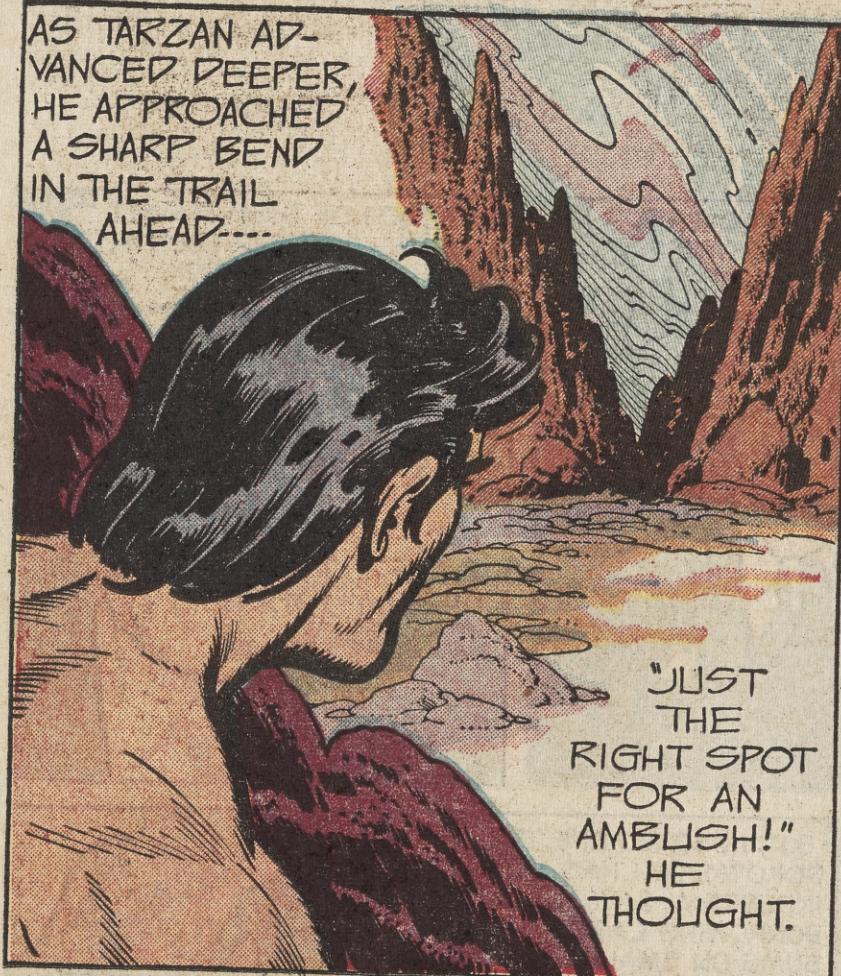

"I WAS CERTAIN," MUSED TARZAN, "THAT RANSOME HAD IMAGINED THE SPHERES, --ONONOES, HE CALLED THEM--" HE GLANCED QUICKLY AT THE LEDGE.

HIGHER UP A STRANGE CREATURE GLARED DOWN AT HIM. IT RESEMBLED A GIGANTIC HEAD WITH POINTED EARS AND SHORT, MUSCULAR ARMS.

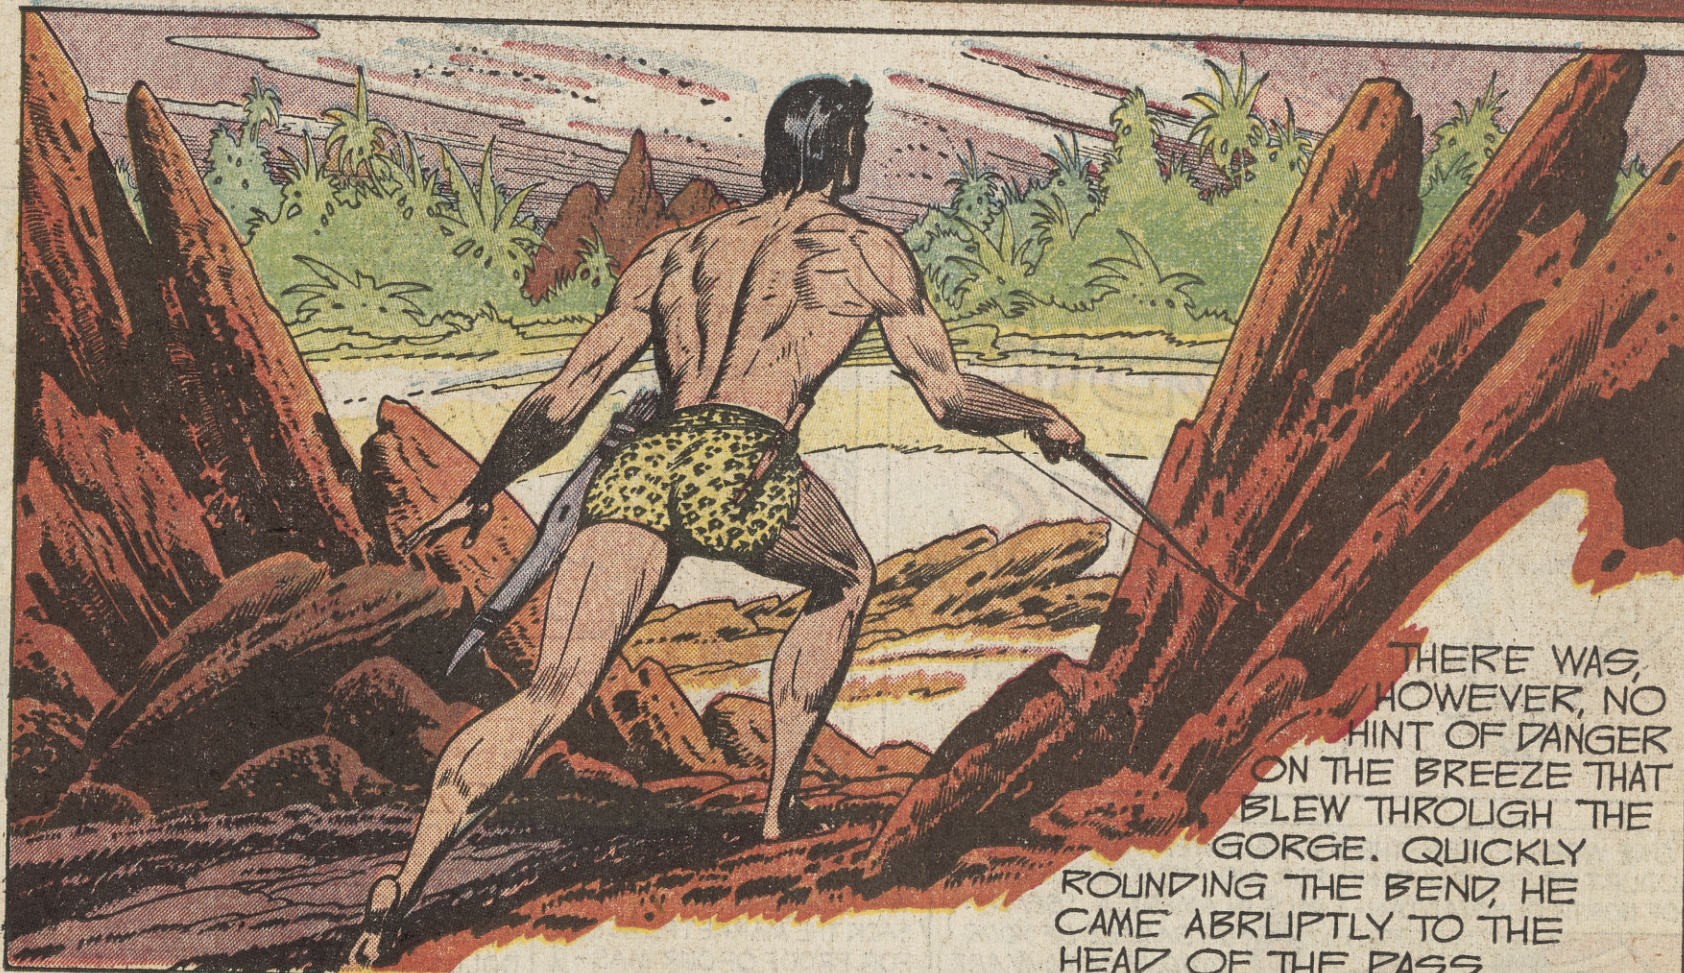

A MOMENT LATER, THE CREATURE HAD WHIRLED AND ROLLED SWIFTLY ALONG THE LEDGE AFTER ITS COMPANIONS.

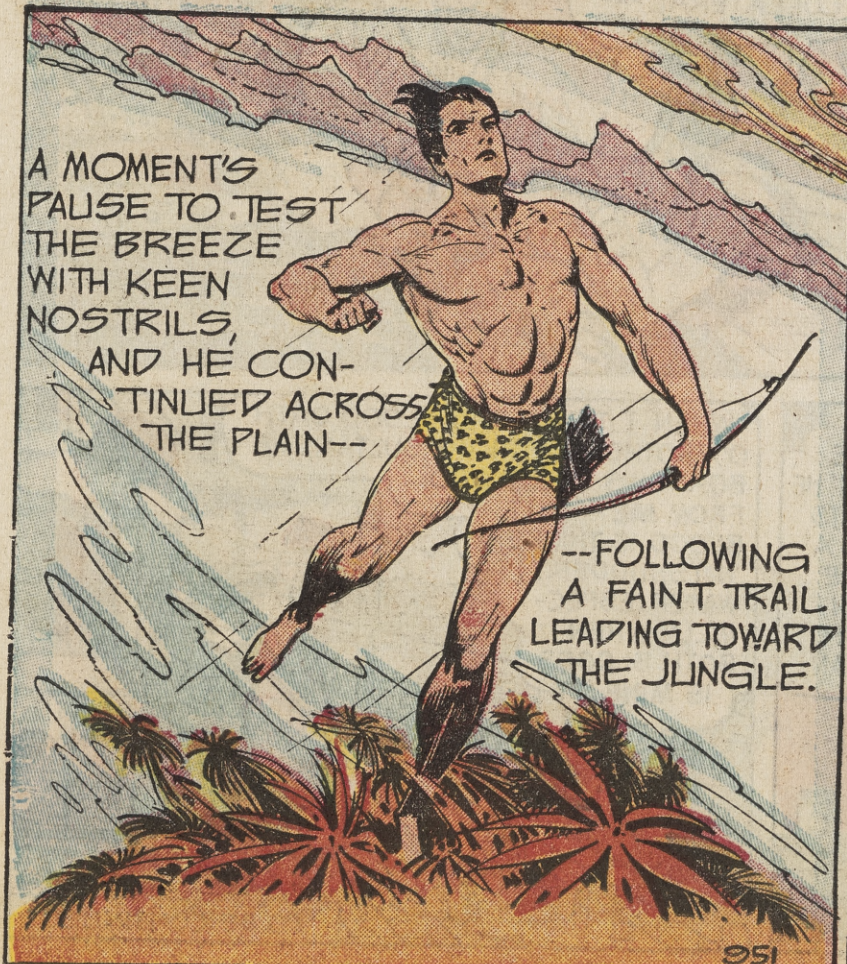

AS TARZAN ADVANCED DEEPER, HE APPROACHED A SHARP BEND IN THE TRAIL AHEAD--

"JUST THE RIGHT SPOT FOR AN AMBLISH!" HE THOUGHT.

THERE WAS, HOWEVER, NO HINT OF DANGER ON THE BREEZE THAT BLEW THROUGH THE GORGE. QUICKLY ROUNDING THE BEND, HE CAME ABRUPTLY TO THE HEAD OF THE PASS.

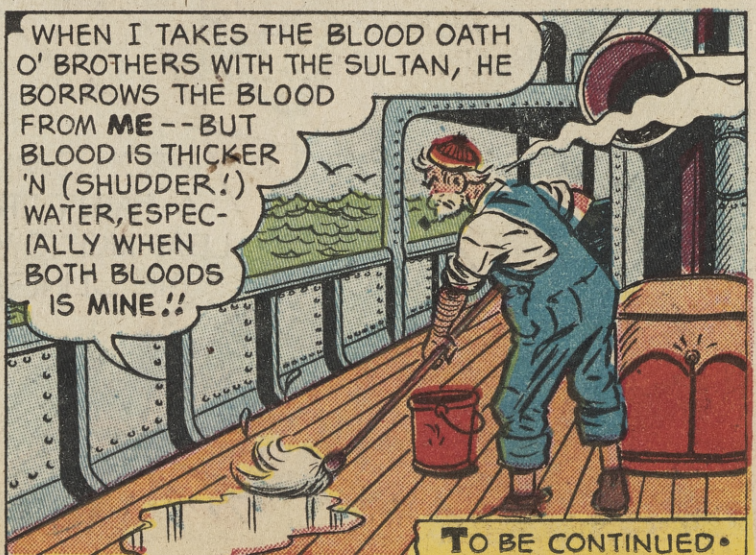

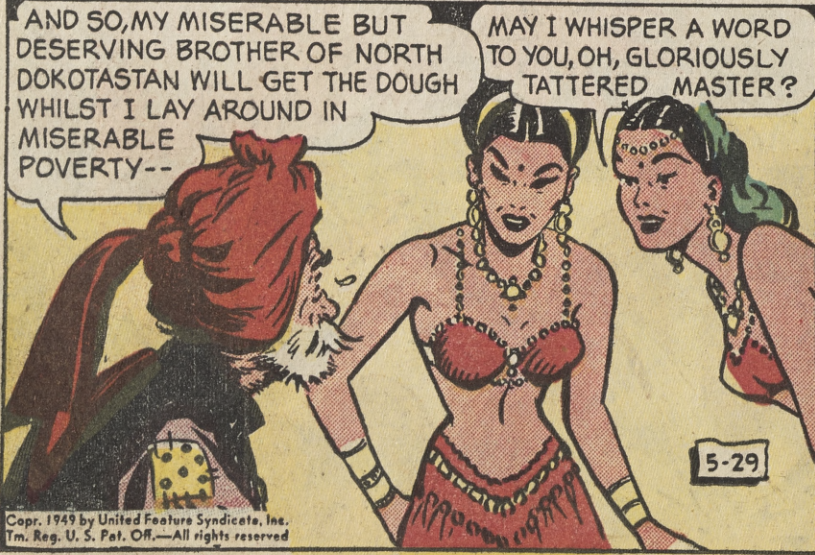

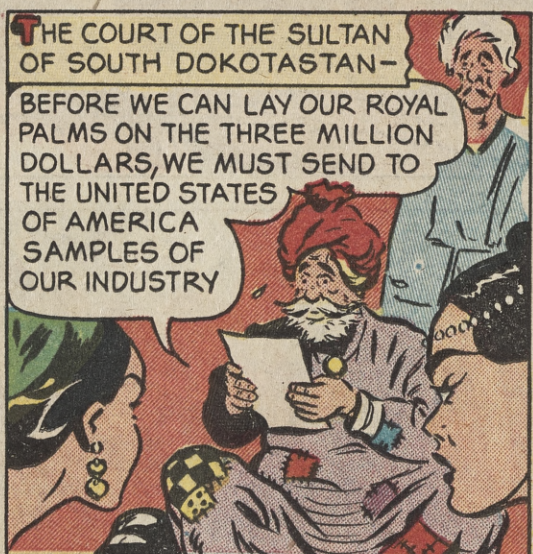

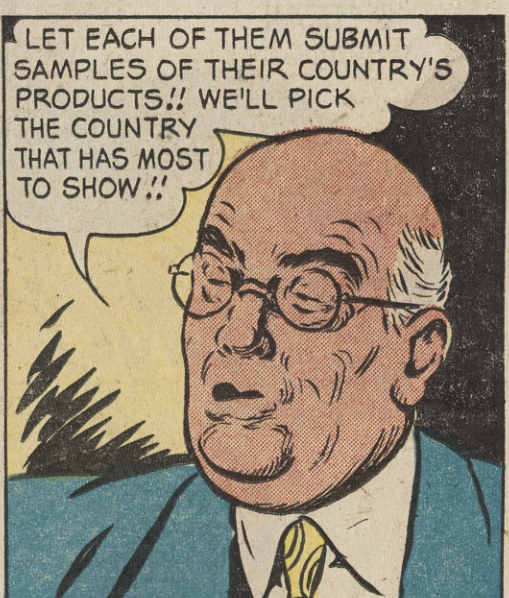

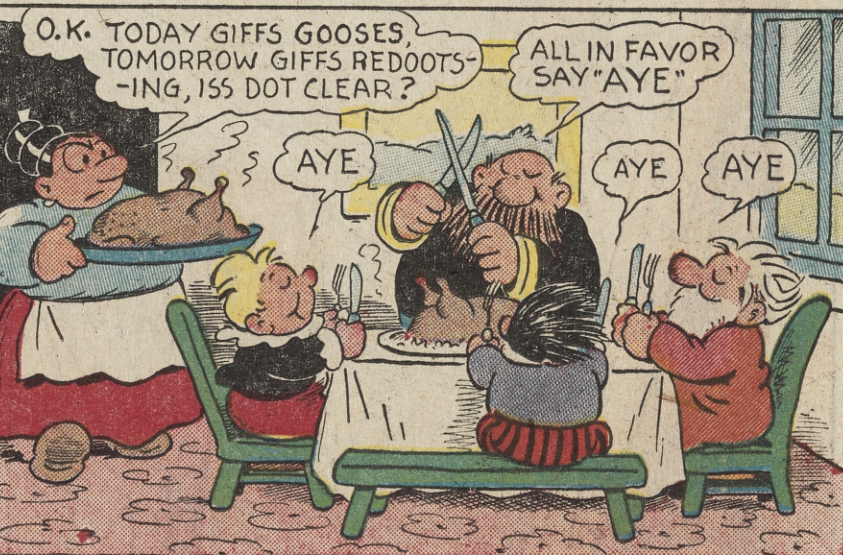

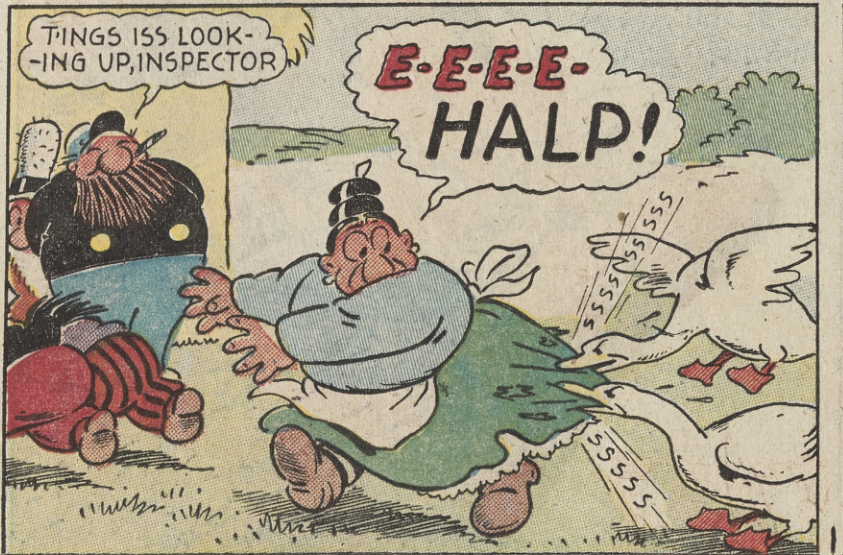

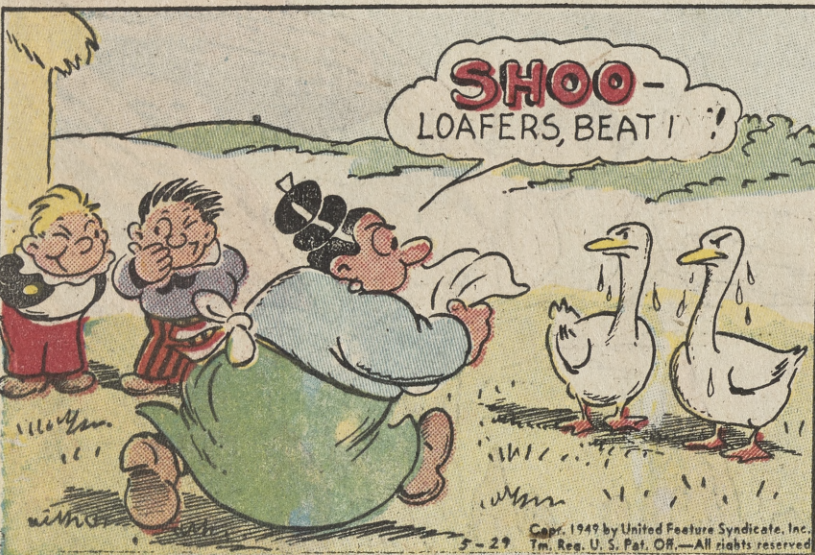

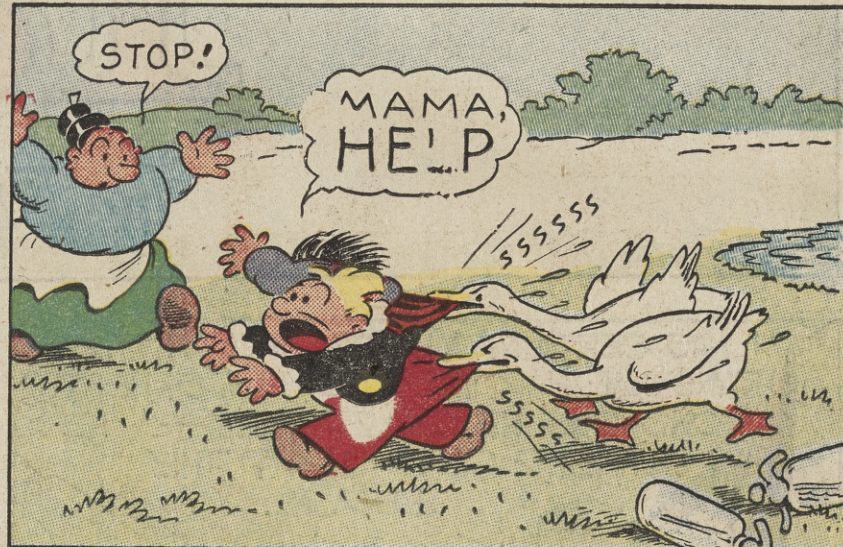

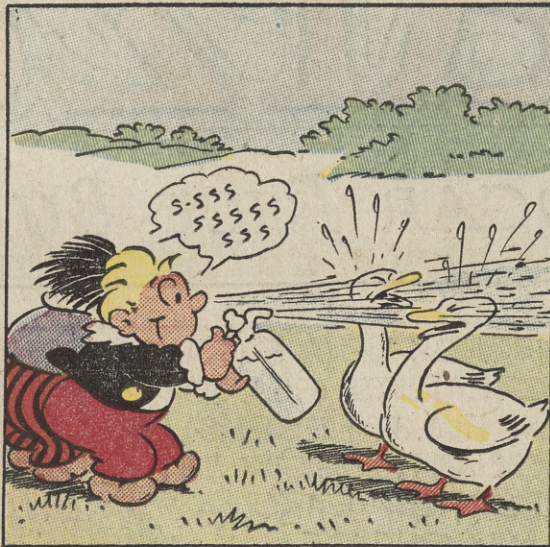

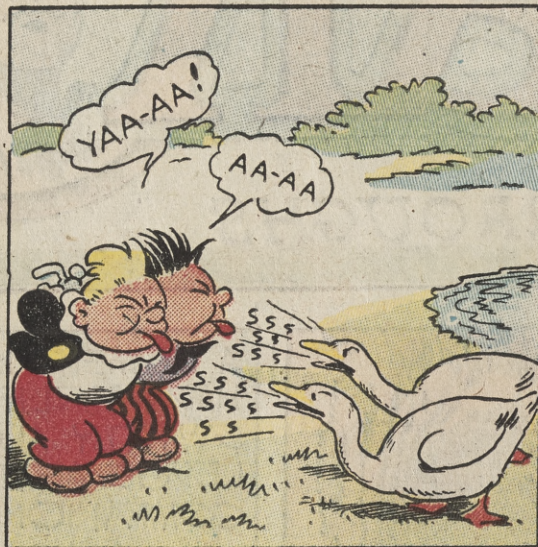

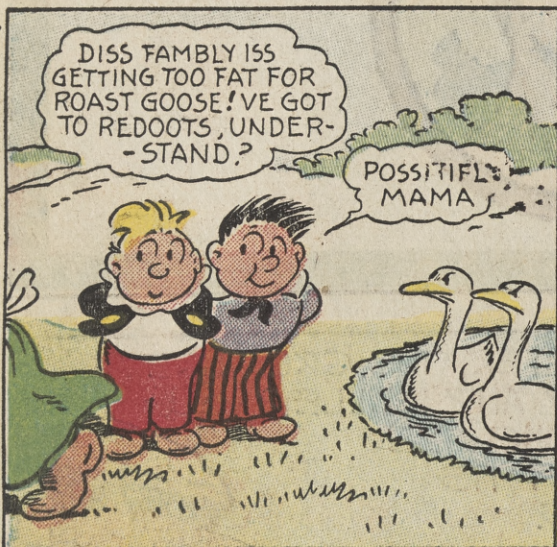

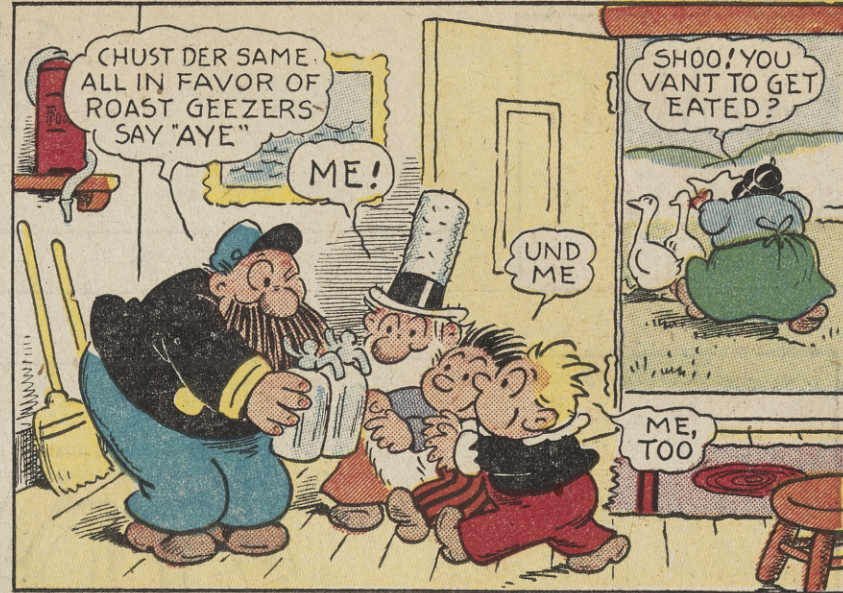

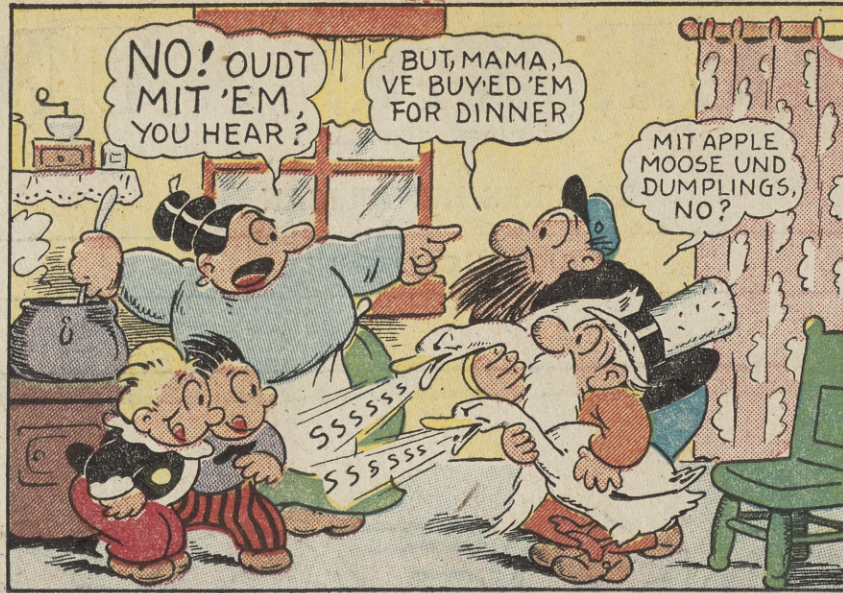

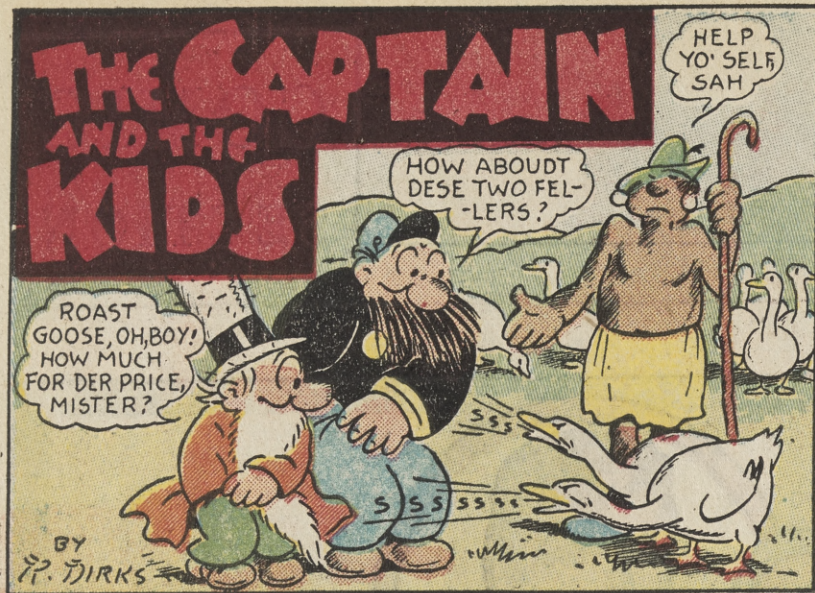

A MOMENT'S PAUSE TO TEST THE BREEZE WITH KEEN NOSTRILS, AND HE CONTINUED ACROSS THE PLAIN--

--FOLLOWING A FAINT TRAIL LEADING TOWARD THE JUNGLE.

THE SLIGHT WIND NEAR THE GROUND STILL GAVE TARZAN NO SIGN OF WARNING, YET HE APPROACHED THE STRANGE JUNGLE WITH EVERY SENSE ALERT.
